

Romulus to Break Ground for Public Housing

ROMULUS—Ground-breaking ceremonies signaling the start of Romulus Township's initial Public Housing Program will be held tomorrow, Thursday, April 24.

The milestone event will be held at 1 p.m. at Chamberlain and Avalon, one block south of Van Born Road, with state, county and

township officials in attendance.

Romulus' Public Housing Program will consist of 101 units in all and be constructed under provisions of Federal Turnkey Program.

Developer of the housing units is Urban American Land Development Company of Flint, Mich., Donald Harris, Romulus' Public Housing Director reported.

THE 101 UNITS are to be built in the Wayne-Beverly Roads area, the current location of Romulus' Urban Renewal Redevelopment.

Harris reported that the housing unit are to be available when built to families that are to be relocated because of the Urban Renewal Program and to low income families and the elderly who qualify to

occupancy and rental income qualifications.

The Turnkey Program is the process whereby a private developer purchases the land constructs the building and sells it to the municipality.

The municipality in this case, Romulus Township, sells government-back bonds to enable it to purchase the property.

RENTALS FROM the tenants are used to pay off the bond issue and when they are paid, the township assumes total ownership of the housing units.

The 101 units will consist of one, two, three bedroom units and four and five bedroom units.

The one bedroom units will be housed in one-story

ranch type structures. The two and three bedroom units will be in two-story duplexes and the four and five bedroom units in single standing residences, Harris said.

The U.S. Housing and Urban Development Department has already approved a federal grant of \$2 million for construction of

the proposed low-rent public housing back in January, 1969.

The 101 HOMES include 52 duplexes and 49 Single-family units.

The single family residences will include 10 five-bedroom, 25

four-bedroom and 14 three-bedrooms homes.

Members of the Romulus Public Housing Commission are:

Eugene Wilson, chairman; Mrs. Sadie Ward, Ernest Davis, Felix Rogalle, John Fuerst and Harris.

Huron School District Sets June 9 Election

NEW BOSTON—The annual election of the Huron School District will be held on Monday, June 9.

Voters will be asked to elect two members to the Huron Board of Education.

One member will be elected for a term of four years and one member elected for a term of one year.

The School Board issued the following qualifications and instructions:

Any school elector in a school district who is the owner in his own right of property which is assessed for

taxes, shall be eligible to election or appointment to office in such school district: Provided, that where a husband and wife own property jointly, if otherwise qualified, each shall be eligible to appointment or election to school office.

To obtain the printing of the name of any candidate for member of the board on the ballot, the candidate shall file nomination petition with the secretary of the board, not later than 4 P.M., Monday, May 12, 1969.

EACH PETITION must contain signature of a number of registered school electors of the district, equal to not

less than one percent or more than four percent of the total number of votes received by the candidate for member of the board, who received the greatest number of votes at the last election at which members of the board were elected. If the one percent is less than 20, the candidate must file at least 20 signatures.

Romulus Township Honors Fire Hero

ROMULUS—The Romulus Township Board of Trustees has taken official action in honoring and commending a Romulus resident for heroic deeds at the scene of a house fire.

Honored by the Township Board was Dennis B. Dart, 26, of 9514 Washington Street.

A resolution commending Dart was ordered approved and is now part of the official record of the Township Board minutes.

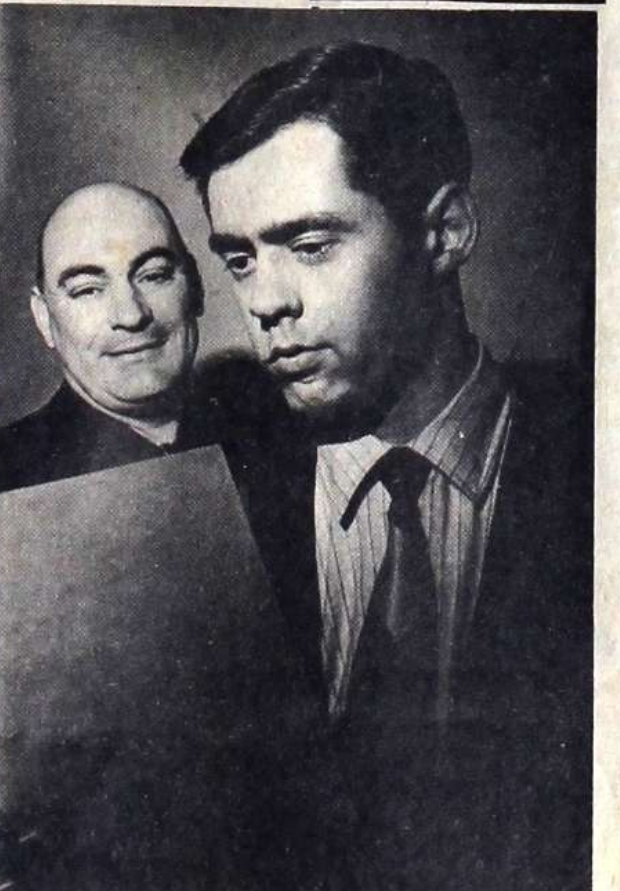

Romulus Fire Chief Joseph Crova and Wayne County Road Patrol officers reported that on March 26, Dart noticed his neighbor's home on fire and "with no regard for his personal welfare enter the home and pull one occupant to safety and attempt to rescue others, only to be turned back by flames."

Rescued from the blazing home was Homer Douglas Tabor, who was found wandering around the inside of the home. Another occupant managed to escape.

Mrs. Wandera Otay, 34, died in the fire, officers reported.

The Romulus Township Board feels that this heroic deed deserves recognition and "does hereby offer the township's sincere thanks and

commendation to Dennis Dart, an outstanding resident of Romulus Township."

FIRE HERO—Dennis B. Dart, 26, of 9514 Washington, received community-wide commendation for heroism at the fire at the home of his neighbor, 9526 Washington last March 26. The Romulus Township Board formally adopted a resolution commending Dart for his actions that saved the life of one of the occupants residing in the fire damaged home.

Romulus Voters to Elect New Supervisor Monday

Trustees, Clerk Seeking Position

Winner Will Serve Term Expiring in November, 1970

By HENRY CANTON
ANP Staff Writer

Pennington of 10268 Romaine, Romulus.

ROMULUS—Registered and qualified voters of Romulus Township will take to the polls in next Monday's Special Election (April 28) and elect a new township supervisor.

Voters will choose from among five aspirants who are seeking to fill the unexpired term of Edmund Bizik, who resigned to assume duties as a member of the new 26-member Wayne County Board of Supervisors.

The term runs to November, 1970.

Bizik, who was elected as the Democratic representative to the Board of Supervisors from the 24th District, resigned last January and Romulus has been without a supervisor since.

CANDIDATES RUNNING for the supervisor's post are all presently members of the Township Board. They are:

Township Clerk Alfred J. Perry, of 37600 Castle Drive, Romulus; Trustees James C. Stewart of 7164 Harrison, Inkster; Jimmie Raspberry of 36254 Park Place, Romulus; Roderick E. Smith of 7300 Taft, Inkster; and Ellis T.

Governor William Milliken scheduled the special election when members of the Township Board failed to appoint an interim successor to Bizik in the 45-day period allowed under present statutes for doing so.

Board members seeking to fill the vacancy failed to procure the required majority of four Board members for the appointment.

AFTER WEEKS of unsuccessful negotiations in attempts to reach some agreement among the Board members, Township Clerk Alfred J. Perry was instructed to petition the governor's office for an election date.

Although all candidates running in Monday's election are Democrats, a general election will be held on May 19.

This election is scheduled as sticker candidates may enter the race on the Republican ticket.

Last day to register for the general election is April 19, Perry reported.

NEW DISTRICT JUDGE—James B. Stone, 51, a veteran Wayne County Circuit Court aide has been appointed judge of the 34th District Court by Gov. William Milliken. He fills a vacancy caused by the resignation of Judge Francis D. Ross, who was elected to the new court last Nov. 5, and who resigned in February, 1969, during a dispute with community officials over court financing. Shown with Judge Stone is his chief clerk Charles E. Walls, Dearborn Heights Judge Richard Dunn had been filling in pending appointment by Gov. Milliken.

James B. Stone Appointed New 34th District Judge

BELLEVILLE—James B. Stone, 51, veteran Wayne County Circuit Court aide has been appointed District Judge for the 34th District by Gov. William Milliken, who announced the appointment on April 16.

This appointment fills a vacancy that has existed since the resignation of the elected judge Francis D. Ross on Jan. 31, 1969. Judge Ross resigned during a dispute with community leaders over court financing.

The appointment of Stone brings to our court a wealth of knowledge and experience in judicial practice.

He has served the courts of Wayne County for the past thirty-one years in various capacities, and since 1964 has served as the Circuit Court Administrator for Wayne County.

JUDGE STONE was born in Froomfield, Ontario, Canada on Nov. 2, 1917.

He is a graduate of Denby High school in Detroit and the Detroit Business Institute. He received the degree of Juris Doctor from the Detroit College of Law in 1951.

Mrs. Stone (Jean) is a native of Detroit where she

attended St. Martin's Elementary and High school and St. Mary's Business School.

The Stones are the parents of five children. The oldest, Mrs. Sandra Lee Olenczuk, has made them the proud grandparents of two grandsons.

James B. Stone, Jr., 23, is a carpenter's apprentice and a member of the Michigan Air National Guard.

Thomas Charles Stone, 22, graduated from Western Michigan University on April 19 of this year.

Judith Ann Stone, 18, is a senior at Rosary High school in Detroit, and will graduate this June.

Margaret Mary Stone, 14, is a freshman at Bishop Borgess High school in Redford Township.

THE STONES are presently residing at 47103 Waters Edge Lane in Van Buren Township.

Judge Stone is not a stranger in our local court operations. As Circuit Court Administrator, he has been instrumental in solving the many problems that our District Court has faced since

it was created on Jan. 2, 1969. He had been in attendance and has played a leading role in most of the organizational meetings that have taken place in the 34th District.

Judge Stone will replace Judge Richard D. Dunn, who has served so effectively since his designation as interim Judge on Feb. 1, 1969.

The people of this District are indebted to Judge Dunn and the people of the City of Dearborn Heights for the services of Judge Dunn these past months.

In addition to 31 years of service to the people of Wayne County, Judge Stone served five years in the U.S. Air Force during World War II. During that period, he saw two years duty in Alaska and the Aleutian Islands.

Ceremonies attending the administering of the oath of office of District Judge to James B. Stone were held in the auditorium of the City-County Building in Detroit at 12 Noon, Wednesday, April 23, 1969.

Our most hearty congratulations and best wishes for you and your family, Judge Stone, as you embark on yet another career of service to our area.

For Romulus Patient

Fund Drive Underway For Kidney Machine

ROMULUS—A drive is currently in progress to raise funds for a kidney machine for Eva (Hadyiak) Gentz of 37611 Walnut Street.

Mrs. Gentz is seriously ill at Wayne County General Hospital where she has been a patient for the past six weeks after both of her kidneys failed to function.

A drive to purchase the much-needed kidney machine for Mrs. Gentz was launched by her former fellow employees at Whitman and Barnes Company.

A couple of her classmates from the Romulus High School of 1955 have since joined in as "middlemen" and offered to collect for the drive locally and turn over their receipts to the company.

LOCAL PERSONS wishing to help can mail checks direct to the company at the following address: Whitman and Barnes, 40600 Plymouth Road, Plymouth,

Michigan, 48170. These checks should be written out to "cash" but bear the notation "Eva Gentz kidney fund."

Betty Crocker coupons may also be contributed, from any of the General Mills food products bearing them. These coupons may be mailed directly to the company in Plymouth or may be dropped off locally at 13615 Huron River Drive South, Romulus.

Should not enough funds be raised to purchase the kidney machine, the money will be turned over to Mrs. Gentz for her medical bills.

The year-old daughter and husband (Ernie) of the kidney failure victim reside at the Walnut Street address in Romulus.

Mrs. Gentz is also anxious to hear from local friends via mail.

Cards may be addressed to her at Room 532, Wayne County General Hospital, Eloise, Michigan.

Michigan Reports 1968 Record Casualty Year

Michigan experienced its worst traffic casualty year in 1968 with 2,388 persons killed and 160,413 injured in 305,495 accidents, final figures of the State Police traffic division show.

Deaths and injuries both hit new highs. Fatalities surpassed by 90 the old mark of 2,298 set in 1966. The injury total was 3,719 more than the previous record of 156,694 also in 1966.

The accident count was second highest on record, being only 5,103 fewer than the high of 310,598 charged to 1965.

*** COMPARED WITH 1967, the 1968 statistics showed

increases of almost 12 percent in deaths, six percent in injuries and just over two percent in accidents. There were 2,137 persons killed and 151,297 injured in 299,004 accidents in 1967.

The death toll last year was the fifth in a row—and the eighth since record-keeping began in 1933—to pass the 2,000 mark in Michigan.

Traffic exposure factors also hit new high marks: Vehicle registrations of 4.3 million were up by four percent; licensed drivers increased by the same percentage to 5.1 million; and estimated mileage of 48.1 billion showed a gain of over six percent, all compared

with the previous highs of 1967.

Despite the increase in the exposure factors, the death rate per 100 million vehicle miles was 4.97, only slightly more than the 4.7 of the year before.

The economic loss from traffic accidents was estimated at \$465 millions, an increase of 12 percent over \$415 millions in 1967.

PTA Council Sets Meet

ROMULUS—The last regular meeting of the Romulus Area PTA Council will be held at the Mt. Pleasant Elementary School, located at 39000 Superior Road, on Tuesday, April 29.

The business meeting will begin at 7 pm in the library and adjourn to the multi-purpose room for the program to begin at 7:30 pm.

Everyone in the community is urged to attend this meeting as a panel of knowledgeable people will be on hand to discuss the problems that face us as parents of today with regards to the mis-use of drugs.

The panel will contain a jurist from the office of Wayne County Probate Judge James Lincoln, a psychiatrist from the Northville State Home and a pharmacist from the Lafayette Clinic.

This program is co-sponsored with the Council by the Western Wayne County YWCA.

SENATOR BEEBE TESTIFIES—Sen. N. Lorraine Beebe (R-12th District) testifies before the Senate State Affairs Committee on behalf of her bill to create a separate state youth department. Hearing testimony are (front to rear): Senator Robert Huber of Troy, Chairman, Sen. George Kuhn of West Bloomfield and Sen. Michael O'Brien of Detroit.

Romulus Senior Club Reports

ROMULUS—The Senior Citizens Club of Romulus Township enjoyed viewing a large number of slides at their first meeting in April.

These slides were brought by Stanley Smitt and included pictures of the Smitts' own prize-winning dahlias and many of Niagara Falls and Washington, D.C.

At the second meeting, hats were made by the ladies present and bow ties by the gents. Mrs. Emelie Bloom made and supplied lovely prizes. First prize was won by the club president, Mrs. Celeste Fisher and second, by Mrs. Josephine Cooper.

Mrs. Ruby Taul displayed some of the ceramics she made while attending class at Romulus Junior High School. The workmanship and colors were very nice. Once each month the

Senior Citizens Club attends a different church in the community. On Tuesday, April 29, the group will have dinner at the Skipper's Table. Ira Cooper is host and in charge of the arrangements.

Regular meetings of the club are held the first and third Tuesday of each month. The time is 11 a.m. and the place, the Romulus Progressive Club Hall on Ozga Road.

Re-Elects Directors

LINCOLN PARK—At the Annual Shareholder's meeting held Tuesday, April 15, Clarence R. Mead, Chairman of the Board, and Lowell L. Peacock, president of Security Bank and Trust Company, announced the re-election of eleven directors. They are:

Steward E. Evans, John H. Hancock, Douglas A. Hayes, Allen M. Lomax, Jerry D. Juptak, William C. McMillan, Clarence R. Mead, L. R. Naragon, Lowell L. Peacock, Dr. Roy H. Roberts, and Harry F. Vellmure. Mrs. Nina M. Hilleman and Edward C. Levy have reached retirement

age and have been elected Directors Emeriti.

Shareholders also at this meeting approved a 10 percent dividend which will be payable in 47,575 shares of new common stock. They also approved the issuance and sale of 1,675 additional shares of common stock which will increase the bank's capital stock from \$4,757,500 to \$5,250,000, representing 525,000 shares of \$10 per value. The bank will continue to apy its present \$1.20 annual cash dividend.

The board re-appointed all other bank officers.

Hart Appointed By MEA

EAST LANSING—Maurice J. Hart, elementary teacher from Inkster, has been appointed field representative for Region 2, Michigan Education Association, effective July 1.

Hart received his B.S. and M.A. degrees from Eastern Michigan University and

taught the sixth grade in Inkster 1963-69.

ELECT - ELLIS PENNINGTON - SUPERVISOR - ROMULUS TOWNSHIP

Dear Romulus Voter

I want to take this opportunity to thank you, my many friends who successfully supported and elected me to the office of Romulus Township Trustee in 1966. I also thank "prayer" and talking with so many friends who wish to support and work with me in this election. I have decided to become a candidate for the office of Romulus Township Supervisor.

The two and one-half years I have served as your Trustee have been some of the most rewarding years. I have seen tax payers get mercy in many cases. I appeal to you, the independent thinking voters of Romulus Township, take a good look at my voting record, and then determine for yourself who is the possible man for Supervisor of Romulus.

A FEW FACTS ABOUT ELLIS PENNINGTON

Born in Kentucky in 1927. Served in the U.S. Army 4 years during W.W. II. Honorably discharged as Master Sergeant. Lived in Romulus as a home owner 17 years. Elected Township Trustee in 1966.

Married, father of three children, two of which attend Romulus schools. I reside at 10268 Romaine St. with my wife, Mary Lou, and one daughter, Thresa, and one son, Rodney. My family and I are members of the Calvary Baptist Church in Romulus. I am employed at Kelsey Hayes and Browers Mobil Gas Station in Romulus.

I have made a special effort to represent all citizens of Romulus Township with honesty and to the best of my ability. I will not steal sixteen thousands dollars from Urban Renewal. I will not lose 500 traffic tickets. I will not give away thirty-four thousand two hundred fifty-nine dollars and twenty cents on rubbish contracts. I will not make big promises but if I am elected I will promise you honesty and will do all for you that God will give me power to do.

Ellis Pennington understands some of the problems of the citizens of Romulus. He will represent everyone regardless of whomever they be in Romulus. He is not afraid to speak in behalf of his fellow citizens.

Do you want a SUPERVISOR who will stick with YOU the CITIZEN . . . and will not be a RUBBER STAMP or YES MAN in the township meetings? Then I beg you VOTE for and HELP TO ELECT . . .

ELLIS PENNINGTON

Candidate Seeking Supervisors' Position Detail Backgrounds

An Associated Newspapers Publication

ROMULUS--Voters in Romulus Township will be going to the polls next Monday, April 28, to elect a new supervisor.

In order that voters will be apprised on the backgrounds of candidates, the Romulus Roman submitted questionnaires to all the candidates. All but one returned the questionnaires along with their photos.

Incumbent Trustee Jimmie Raspberry, veteran township board member had not returned the questionnaire at edition time.

We are submitting background data and photos on the following candidates, who are all members of the present Township Board:

Township Clerk Alfred J. Perry of 37600 Castle Drive; Trustees James C. Stewart of 7164 Harrison, Inkster; Roderick E. Smith of 7300 Taft, Inkster; Ellis T. Pennington of 10268 Romaine, Romulus and data on Jimmie Raspberry of 36254 Park Place.

STEWART 43, has been a resident of the community for 13 years. He and wife, Irene, are parents of two children: Joyce, 22; and Linda, 13. He attended various schools in Tennessee prior to his arrival in Michigan. He is employed in maintenance welding at Ford Motor Company when not busy with township affairs.

He was elected a highway commissioner (1963-65), elected township trustee in 1966 and has two more years to serve on the Township Board.

He is a member of VFW Romulus Post No. 9568, Romulus Homeowners Association, National Rifle Association, Romulus Democratic Club and was elected president of Romulus Gun Club. He is a 32nd degree Mason.

JAMES C. STEWART

He served as treasurer of the Romulus Democratic Club for 4 years and was vice-president for one year. He served in the U.S. Navy (1943-46). In commenting on his candidacy, Stewart stated:

"As a fast growing community, I felt that Romulus needed leadership. Most of all I can vision the future Romulus years from now and yearn to be part of the future planning and development.

"I became active in

politics in 1955 just after moving into Romulus. I have served on numerous committees including the Planning Commission, Community Relation Committee, Board of Appeals and as Highway Commissioner.

PERRY 40, has been a resident of the community for the last six years. He and wife, Sara Ann, are parents of eight children that answer to the names of Theresa, 13; Joe, Jr., 11; Philip, 10; Paul, 8; Thomas, 7; David, 6; Andrew, 5; and Michael, 4.

He is Romulus' former Justice of the Peace (1965-67) and currently Township Clerk since 1967. He is also a member of the Romulus Charter Commission, president of Romulus Kiwanis Club and Knights of Columbus, and member of Romulus' Democratic Club.

ALFRED 'JOE' PERRY

He is a high school graduate and was employed by the National Bank of Detroit for 10 years and Wyandotte Chemical for eight years prior to his Romulus duties. He has had military service in the U. S. Army Airborne and Regular Infantry (Korean War).

In running for the office Perry stated that being Township clerk he is familiar with township problems. His public contacts with the public during the last 16 years plus his knowledge of township affairs qualifies him as the best candidate.

SMITH, 54, has been a resident of the community for the last 24 years. He and wife, Margaret, are the parents of seven children, who answer to the names of David, 32; Roderick II, 31; Sandra, 28; Joanne, 27; Jerome, 26; Zetta, 25; and Michael, 21.

RODERICK E. SMITH He has attended elementary schools in Flint and St. Michael's High School there. He is presently

employed by the Equitable Life Assurance Society, Detroit, in sales and service when attending Board meetings.

He has been a member of the Romulus School Board (1957) Township Clerk, Romulus, 1959, 1961, 1963, 1965 and elected trustee last year. He also has been Democratic precinct delegate for a number of years including the year of 1968.

He is a member also of the Romulus Kiwanis Club, Romulus Democratic Club, 15th District Democratic Organization, St. Aloysius Usher Club, and Romulus Progressive Club.

In commenting on his candidacy, Smith stated: "I am convinced that this office demands more than just passive administration experience; and I feel that my administrative experience as former Township Clerk for almost eight years, together with the supervisory experience I have received in other employment give me the qualifications that no other candidate possesses. This township as a rapidly growing community needs a supervisor with foresight, capable of coping with the demands of this office, and in whom the residents of Romulus have confidence.

"In addition I believe that I am better acquainted with the individual problems that confront our community and the means to resolve them."

PENNINGTON, 41, has been a resident of Romulus for 17 years. He and his wife, Mary Lou, are the parents of three children: Carol Sue, 20; Rodney, 18; Theresa, 13.

When not conducting township business, Pennington is employed by the Kelsey-Hayes Company as a machine operator and part time supervisor. He attended Wheelwright High School in Wheelwright, Ky.

ELLIS T. PENNINGTON He was elected to a four-year term as trustee in 1966. He served in the U.S. Army and was discharged (1945-49) as a Master Sergeant. In commenting on his candidacy, Pennington stated:

"Seeing so much tax money wasted and township moving very slow plus the need for honest leadership are the reasons for my seeking the office. Many friends have also requested that I run.

"Serving two and a half years as trustee justifies my candidacy and being honest

with the taxpayers of Romulus Township, voting for in behalf of progress of Romulus but always giving the tax payers every benefit of his tax dollars qualifies me in seeking the position.

RASPBERRY is a long time resident of Romulus Township. He is a 10-year veteran in the administrative affairs of the township.

JIMMIE RASPBERRY

He was elected in 1968 to another two-year term on the Romulus Township Board. He had not sent in his questionnaire by edition time.

Romulus Family Faces Court on Dope Charge

ROMULUS - A preliminary examination will be held in 34th District Court today involving a family of three charged with violation of narcotic laws.

They are Earl H. Doane, 42, of 14436 Cogswell Road, his wife, Phyllis E. Doane, 38, and their son, Raymond H., 19.

Mrs. Doane was released on a \$1,000 personal bond. Her husband and son are being held at Wayne County Jail following their arrests when Romulus and Michigan State Police officers raided their Romulus Township home Friday, April 28.

They are specifically charged with possession of marijuana. The son is also charged with the sale of marijuana.

VOTERS

(Continued from Page 1) CANDIDATES HAVE stepped up their campaigns in residential gatherings and door to door canvassing.

The Romulus Democratic Club has made no official and public endorsement.

Township officials and community leaders are urging an all-out pouring of voters contending the supervisor's post is an important responsibility for the future of Romulus, one of Western Wayne County's fastest growing communities.

DISTRICT

(Continued from Page 1) Nomination petitions may be obtained at the Board of Education office, Huron High School, 32044 Huron River Drive, New Boston, Michigan, during the hours of 8 a.m. to 4 p.m.

Citizen District Council See UR Scale Model

ROMULUS--The Romulus Urban Renewal Department officials presented the Citizens District Council a detailed showing of a three dimension scale model of the Wayne-Beverly Roads Redevelopment Area demonstrating how the area will look when completely redeveloped under the township's Urban Renewal project.

The Citizens District Council consists of residents living in a District that embraces Romulus' initial Urban Renewal Program. The presentation was made March 25.

Warren Reynolds of Parkins, Rogers & Associates Planning Consultants; and George Wilhelm, Urban Renewal Director, gave the schedule of the work to be done in each section of the first phase of the UR program.

It was explained that some of the land in the area bounded by Van Born, Cincinnati, Howe, and Fourth Street, in addition to that in the right-of-way of the Boice Drain, is set for acquisition in September.

SUB-STANDARD HOUSES now occupied by renters will be included in this first acquisition as well.

The Urban Renewal Staff is working with families to be displaced so that those now renting, and if eligible, will be relocated into Public Housing.

Plans are being made to have homes available to purchase for homeowners to be displaced and others not eligible for Public Houses.

Reynolds informed the Council that the Urban Renewal Department is working on the application for going into a Neighborhood Development Program (NDP).

If the application is approved, planning can get started for the total General Neighborhood Renewal Area, rather than wait until the first Project Area is completed.

State police reported that officers confiscated two kilos of marijuana and pills which are thought to be drugs.

FLYING WORLD GREETING--ANP's Flying World Columnist Bill Balogh is greeting Astronaut Jim McDivitt at Michigan Aeronautics and Space Association's annual banquet last Saturday night. Balogh and McDivitt shared the spotlight at the awards banquet two years ago when the Astronaut was acclaimed the "aircraft pilot of the year" and Balogh was awarded the Creative Arts Trophy of Aviation as the "outstanding aviation writer of the year".

Livonia Should OK 4-Mill School Tax

Next Monday the Livonia School District voters will decide whether or not the District should levy an additional four mills for one year.

With each millage election, the voters must take time to look at the problems and pluses of their own particular district, plus take a good look at the educational situation in Michigan.

In the case of the Livonia District which covers a large portion of north Westland, the Board of Education is seeking four mills for one year. Their rationale is "Help us for this year. We hope the situation will be corrected by the end of the year. Meanwhile we have no other way to get the necessary funds."

Last year, the Wayne School District used this same rationale, and the change did not come, but last year is not the same as this year.

This year the winds of change seem to be blowing. They are blowing ever so slightly, not enough to help out Livonia and the other districts this year, but enough to indicate that the mood is changing in Lansing.

Livonia educators believe that this change in financing of public education will come within the year, but not soon enough for the 1969-70 year.

The Livonia educators, as well as the educators of the surrounding districts, realize the total need for change in education. Just recently Livonia became one of the five charter members of the Michigan Association for Improved School Legislation. This lobby provides a vehicle for districts like Livonia to band together for effective change. It is action of this sort that shows the District's commitment to needed change.

The Livonia administration has indicated that if the millage fails, cuts will have to be made to avoid a \$3.5 million deficit. These cuts will include half-day sessions for four grades, plus cutbacks in employees. The cuts, if they have to be made, will be "based on the assumption that the next year the District will be able to reinstate what has been cut."

The four mills basically are a means of buying time so that the Governor and the State Legislature can work out total reform of education financing. Livonia is making a concerted effort through their new lobby and through personal contact to effect this change.

The fact that the change will not come in time for the coming school year is not the fault of the individual school district, and we do not think the local districts should have to pay for the inactivity in Lansing. Livonia School District residents should support the four-mill levy.

'IF IT FITZ...!'

Secretary's Silly Syllables

By JIM FITZGERALD

This middle-aged woman came into my office, obviously troubled, and she had some good questions. I couldn't give her any good answers.

That night I was reading about Defense Secretary Melvin Laird and I thought Gee, if I had his smooth tongue I could have given that nice lady some bad answers that sounded good.

Secretary Laird was explaining the Vietnam situation to a Senate committee: "Our orientation seems to have been more on operations than on assisting the South Vietnamese to acquire the means to defend themselves," he said.

Marvelous. Can you think of a daintier way of saying that the U.S. is doing the fighting while the South Vietnamese watch?

More from Laird: "It is apparent that a successful infrastructure effort will thus require a substantially higher enemy rate of attrition than has yet been realized."

Beautiful. What the man means is that we must kill the bad guys faster than they are being born, sure.

Laird also said the U.S. has not yet achieved "the development of indigenous forces which would be capable of suppressing insurgency on their own if North Vietnamese and U.S. forces were withdrawn."

How about those syllables? No one is going to accuse our Defense Secretary of using 4-letter words. What Laird was saying is that if the U.S. and North Vietnam troops dropped out, the South Vietnam army would be smeared by the Vietcong.

And what it all amounts to is Laird's admission that, after 15 years of spending and bleeding in Vietnam, the U.S. has not nearly accomplished its objective. Remember, we were going to send a few of "our boys" over there for a few months to train the South Vietnamese troops, to show them how to stop Communism from spreading (any closer than Cuba?). Sure, it was a civil war and really none of our business but, what the heck, it wouldn't take long for our military experts to get things going the right way. Remember the Bay of Pigs? The boys will be home for Christmas for sure.

You bet. Over 50,000 young Americans have had their last Christmas. Santa Claus failed them in Vietnam. Ten thousand American soldiers have been killed since the stuffed shirts sat down to talk peace in Paris. And if you think that's the worst of it, you should visit some military hospitals where there are teenage boys who will never walk or talk or see or move again.

"Why does it have to be? When will the killing end?"

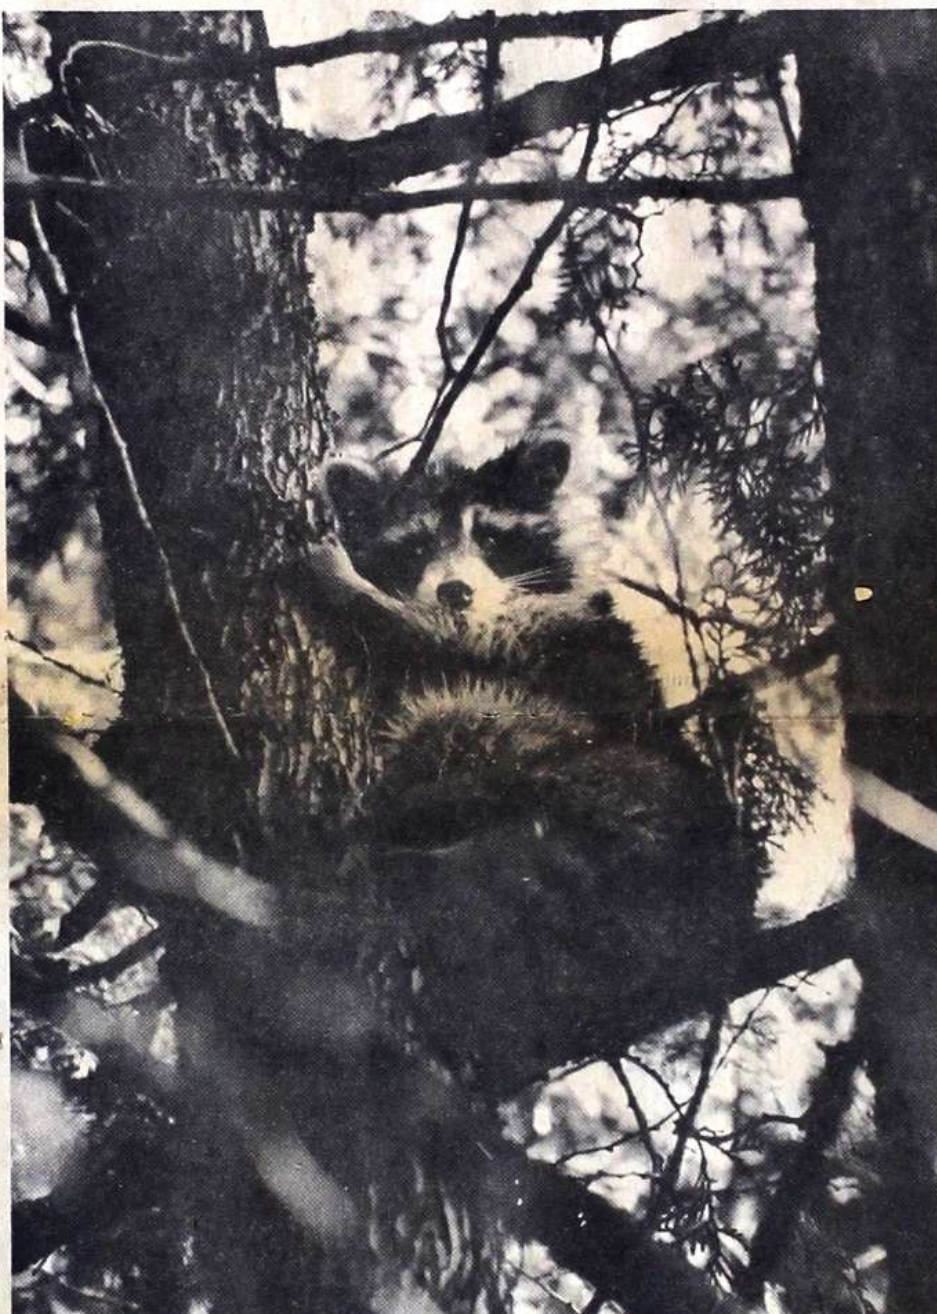

That's what the middle-aged woman asked me. She had brought me a picture of her son to go with the story I was writing about him. He had been killed in Vietnam the week before, 10 days after his 20th birthday.

Secretary Laird should be forced to mouth his bloody nonsense to the mothers of these dead boys. He should look them in the eye and tell them their sons are part of the necessary U.S. attrition if there is to be a successful infrastructure effort whereby indigenous forces may suppress insurgency.

I wonder if Laird could spout all those silly syllables with a mouthful of Vietnam mud?

Big City Offers A Lesson

By DICK MCKNIGHT

This isn't supposed to be a plug, but the opening of a "Kosher House" restaurant in Inkster recently conjured up old daydreams of mine about city life.

I was raised in a town so small that, by metropolitan standards, it shouldn't have been on the map. It had about 1500 persons living within its village boundaries and I knew most of them, liked most of them, and lived with the rest. You couldn't be choosy when you had only 1500 persons to pick from.

The next town, six miles away, was like a foreign country. I learned early that the Arabs and Israelis had nothing on the local football rivalry. When someone tried the intelligent idea of joining all of the local school districts into a consolidated district that could offer better education—everyone fought it. "Who wants them," the natives said.

Everyone in my small town lived pretty much like everyone else. Nothing escaped the public eye, although the local newspaper never acted as the real source of local news. The telephone system was the key, and the party lines were enough, as one of my relatives says, "To make Marconi look sick."

There was a great need for everyone to conform to some kind of standard in my small town. After all, the smallest nonconformity was instantly known.

That is not to say that there were not advantages to knowing those 1500 souls well. You learned not just a little about them, but you saw their entire personality and all that was good about them. If someone had grief, you knew it immediately and could respond. It was good to know a few people well, because it is these people you can never forget.

But when I came to Detroit as a college student in 1962, I was absolutely scared to death. The thought of being lost in a sea of almost four million bodies was frightening to someone who seldom saw an unfamiliar face at home. But I was overcome completely by the notion that my small town just wasn't enough to satisfy my expansive and disgustingly curious nature.

One Sunday I gathered enough money and courage to go to the New York bagel bakery, and purchased two bagels with raisins. I brought them back to my dormitory room and I was considering how I might eat them when my roommate, who was from Pittsburgh, spotted me. Well, he is probably still laughing about how he explained to me about bagels, which he convinced me were better with cream cheese than they were plain.

At the University of Detroit I was amazed to find that such strange peoples as Poles, Slovaks, Negroes, Syrians and Lebanese actually went to school there and spoke English. Some of the teachers were Chinese and that was new enough for my uneducated brain.

Jewish people lived around the campus and I was embarrassed to find the little beanie they wore on the bus were symbols of their religion. All of these people were mixing with each other in the business of daily life, and never seemed to care about it, although I was soon to learn that they didn't necessarily like each other.

Probably what finally convinced me in later years to enter the battle to solve some of the city's horrible problems was this abiding feeling that there was something about the city that was too valuable to let die.

All of those beautiful multi-colored, varied-backgrounded people moving through each others lives as a matter of daily routine: There was, and still is, something basically hopeful about that. We simply can't lose the delicious smell of the corner delicatessen, or the idea that a synagogue and a Catholic Church can exist across the street from each other, not in separate little suburbs.

What I love about Detroit is its huge and seemingly infinite ability for variety. Even those of you who once lived in Detroit's myriad neighborhoods, and I know there are many of you, must miss the fascinating panorama of the city. Perhaps our suburbs are just larger versions of my small town. But, where will our children go to learn what they have missed?

McKay and Norton Doing the Job

The status of Wayne's downtown development plans may appear to most observers to be virtually unchanged from what it was several months ago, although this is certainly not the case.

Much work has been accomplished behind the scenes which quite frankly appears to have been responsible in large measure for holding forces necessary in this development together.

The special two-man liaison team appointed by the City Council early this year has been keeping itself, the Council and this newspaper well informed on the progress of the downtown plans. Serving in this invaluable capacity have been Mayor Kenneth A. McKay and Mayor Pro-Tem Patrick J. Norton. Both of these men have been involved in numerous meetings and conferences with the Metro Place developers, City officials and others regarding the downtown plans and, we feel, have contributed a great deal in keeping the project moving ahead as quickly as possible.

All that remains to be done before actual construction can start on the remaining portion of the downtown Urban Renewal acreage, some 33 acres, is the inking of a contract between the City and Metro Place.

In spite of the fact this was ostensibly all that was missing several months ago, the signing of the contract, aside from being approved in form by the Council and Metro Place, must also be approved by the Housing and Urban Development Agency in Chicago, the regional headquarters for the federal office. The contract is necessarily involved and complicated as most federal contracts are in this era of increasing administrative detail.

What McKay and Norton have succeeded in accomplishing, aside from their efforts on getting contract details settled with Metro Place and the federal government, is the fulfillment of their communication role the liaison committee was created for in the first

place. Without their constant contacts between fellow councilmen, City officials and the Metro Place developers, a serious breakdown and even a complete collapse of the current plans may well have occurred.

Doubts and skepticism has existed for some time regarding the Metro Place plans and it has been left to McKay and Norton the job of reassuring others that Wayne's downtown development is not in danger of falling apart at the seams. Their diplomacy has worked well and deserves our praise.

REFLECTIONS

My Day on the Course

By JOYCE HAGELTHORN

One day a couple of weeks ago I wandered into the living room, to be met by a grinning husband and several grinning kids.

"Close your eyes and hold out your hands," the big grinning one said. . . so I did.

And what I got was a hand full of golf balls.

"For heavens sake," I said. "Thanks a lot."

I was so enthusiastic because I haven't lifted a golf club for over 10 years, and even when I was lifting one, I was never any good at it.

Actually, I quit playing golf because the head of my house said we couldn't afford to buy any more balls.

"You got a raise," I said after my meditative speculation.

He chose to ignore this remark.

The next thing that plopped into my hands was a bright green golf bag with a lot of shiny golf heads sticking out all over.

"I know you're trying to tell me something," I said.

"We're going on a vacation," he beamed. And all of my kids beamed. "I've noticed you've been acting kind of tired," he continued, "and I thought a nice golf-vacation would do you a lot of good."

Of course it didn't. However, I think one reason it didn't was because I did a lot of extra walking. I walked in woods, across roads, and had to climb a few fences, and that can get a bit tiring.

"You're supposed to play just one fairway at a time," my golfing partner commented 20 times a day.

And then there was the matter of lost balls. I paid for the same ball 16 times.

You see, there was this creek ambling right across the fairways. One crossed the thing four different times on an 18-hole course. . . at least that was the idea. I never crossed it once.

My partner warned me as we came over the hill. Each time we came over the hill, he warned me.

What saved my life at that point was the grinning little fellow who had a habit of wandering up and down the bank of that creek, fishing out golf balls.

The kid came towards us, holding out six gleaming balls, and right in the middle of his dark little hand was my Wilson No. 3.

"Oh thank you," I said, and took the ball. But he wasn't giving.

"How much?" my partner hissed.

"Twenty-five cents," the kid replied.

"But it's my ball," I shouted.

"Taint now," he said.

I figure that ball cost me almost five dollars by the time the golf-holiday was over.

And the only way I got to see the gulf waters lapping at the front of the hotel was when on the evening of the last day as I sat groaning because I was so rested I couldn't move a muscle, my love picked up my golf bag from my lap, and strode out and across the beach.

Naturally, I followed. . . just in time to see him heave the whole thing into the gulf.

"It's cheaper this way," he said, and didn't say one word about how rested I was, and how badly I had needed that rest.

SUPPORTS PROGRAM

Judge Visits Van Buren's Reading & Guidance Center

BELLEVILLE—Washtenaw County Probate Court Judge Francis O'Brien visited the Van Buren Title I Reading and Guidance Center on Wednesday, April 16.

He had an opportunity for first-hand observation of the positive steps that the Van Buren Elementary Public Schools were employing to increase student self-responsibility, motivation towards positive academic and social growth and decrease disruptive behavior.

Judge O'Brien is assigned to the Juvenile Division of the Washtenaw County Probate Court.

He is concerned with the number of students, under 16 years of age, who are suspended, expelled or permitted to drop out of school because of disruptive behavior.

HE STATED that it was virtually impossible for the courts to achieve rehabilitation without a strong school program, and that it was essential for the courts, the schools and the community to work together to solve the problems of juveniles.

Parents, administrators, and teachers of the Van Buren community also recognize these problems and have taken steps in an

attempt to prevent them from occurring at the elementary level. These steps are based on a Behavior Modification utilizing a Token Economy.

This project is under the direction of Mrs. Ella Woolery, director of Title I and elementary reading services; Leona Kozma, Title I reading consultant; and Gary Gray, Title I guidance counselor.

JUDGE O'BRIEN spent considerable time in two of the four Title I elementary schools—Sumpter and West Willow. He observed the projects in operation. He reviewed the methods being used by the teachers to develop positive student motivation and responsible self-action.

He agreed that positive motivation and a continuous increase in student self-responsibility may well

lead to maximum academic and social development. He further agreed that maximum academic and social achievement would increase the self-concept of the child. He stated that the Van Buren Elementary Schools were attacking the existing problems and would become more and more instrumental in the early prevention of potential disruptive and/or delinquent behavior.

Judge O'Brien was deeply impressed with his observations of the Title I Reading and Guidance Projects in the two schools that he visited. (Similar projects are in operation in most of the other Van Buren Elementary Schools.)

He pointed out, however, the urgency of following through with these kinds of projects at the Junior High age level in order to meet the current needs of today's teen-agers.

JUDGE INSPECTS SCHOOL PROGRAM—Washtenaw County Probate Court Juvenile Division Judge Francis O'Brien paid a visit to Van Buren Public Schools April 16 and to the Title I Reading & Guidance Center supported by federal programs for an on the spot observation. Left to right are Mrs. Leona Kozma reading consultant; Gary Gray, guidance counselor; Mrs. Doris Kilanski, principal of Sumpter School; Judge O'Brien, and Mrs. Ella Woolery, director of Title I Elementary Reading.

Romulus Youth Joins Patrol Trip

ROMULUS — The Romulus area will be represented at Gettysburg, Pa., May 8-11 on Automobile Club of Michigan's 33rd annual spring school safety patrol trip.

Named to represent fellow safety patrollers in the area is

Glenn Gibbons, 12, of 34751 Van Born Road, student at Beverly school.

He will be among 130 youths from 96 Michigan cities taking the four-day, all-expense-paid trip as a guest of Auto Club.

The trip is timed to coincide with National Safety Patrol Week, celebrated this year from May 4-10. Each year, Auto Club sponsors this trip to give recognition to state safety patrollers who perform their duties as a free public service.

THIS YEAR in Michigan, approximately 78,000 patrollers at 3,200 schools participated in the safety patrol program. All total, they spent over 7 million

hours at their posts protecting fellow classmates.

Although this year's trip will focus on the Gettysburg area, the first stop for the group will be at Washington D.C. Seantor Robert Griffin will officially welcome the group at the Capitol Building.

Michigan delegates on the trip will leave Detroit in a four-bus caravan at 4 p.m.

Senior Pot Luck Thursday

BELLEVILLE—The Belleville Area Senior Citizens Club will hold their Pot Luck Dinner tomorrow, (Thursday, April 24) at the Edgemont School starting at 6 p.m.

The dinner will be Ham. It will be provided by the Club.

May 7, from the Veterans Memorial Building.

From Washington, patrollers will travel to the Gettysburg area. They are slated to tour the Pennsylvania Dutch Country near Lancaster on Friday.

Saturday the group will tour Harper's Ferry and the Gettysburg National Battlefield.

A discussion will be on a trip to the Tulip Festival in Holland, Michigan.

Members who would like to go will have a chance to sign up for the trip. It will be on Wednesday, May 17.

There's A New Maton In Kalamazoo

Frank and 'Mickey' Maton, of Beckley road, Belleville, have been receiving congratulations ever since April 9th when their first grandchild was born. A baby boy, he arrived at Bronson Hospital, Kalamazoo, and weighed 9 lbs.-5 ozs.

The new parents, Mr. and Mrs. Richard Maton, of Kalamazoo, named their first heir 'Robert Frank.'

Mrs. M. is the former Joyce Kreie, daughter of Mrs. Orval Kreie, of Liberty street.

Rainbow Girls Schedule Dinner

BELLEVILLE -- The Rainbow Girls of Belleville Assembly No. 49 will hold a spaghetti dinner on April 26, from 5:30 to 7:30 p.m., at the Masonic Temple, located at 515 Main Street.

Dinner tickets are \$1.50 per adult, and 75 cents for children under 12 years of age.

WELCOMES NEW MEMBERS--Pat Kissell, the Junior Study Club's incoming president, presents lighted romance candles to two of the six new members, Carol Fitch (center) and Beth McCash. A reception for new members was part of the April club meeting held at the home of Kay Hooten.

Suburban Living

Officers Installed; Newcomers Welcomed At Junior Study Club

Initiation and installation ceremonies were the highlight of the April 16 meeting of the Junior Study Club of Belleville. Kay Hooten played hostess to the group at her home on Wabash street with Avis White and Lois Hamilton as co-hostesses.

New members welcomed into the club and presented with romance candles by president Betty Schwehr were Betty Kreie, Shirley Hammond, Carol Fitch, Beth McCash, Gerry Kelly, and Nancy Amerman.

Officers for 1969-70 installed by Avis White included Pat Kissell, president; Pat Touse, vice-president; Shirley Books, recording secretary; Jean Troxell, corresponding secretary; and Sharlene Tator, treasurer.

The incoming president, Pat Kissell, presented Betty Schwehr with her past-president's pin and gavel guard. She, in turn, expressed her appreciation to outgoing officers, Pat Kissell, Lois Hamilton, and Shirley Hennells, as well as continuing treasurer, Sharlene Tator, and presented them with thank-you gifts.

A REPORT on the recent State Convention of the Federation of Women's Clubs at the Statler Hilton, in Detroit, was given by Pat Kissell.

Shirley Books then gave a reading of her favorite poem, "Gingham Joys".

The May meeting, a smorgasbord dinner, will be held at the home of Lillian Carlson, of Harmony lane, with cocktails at 6:30 and dinner an hour later.

Following adjournment Betsie Chapman of the program committee introduced the evening's guest, Bill Yahne, an attorney from Westland who is with the law firm of Moll, Desenberg, Purdy, Glover, and Bayer, in Detroit. His topic, "Wills", dealt with the reasons for having a will, the problems involved when one is not made, the choice of executors and guardians, and taxes involved, etc.

A dessert of angel shower cake was later served in a yellow spring setting by the three hostesses.

David Charles Is His Title

Judy, seven; George, six; and Robbie, four; children of George and Sandra Brown, of 13747 Elwell road, Belleville, formed a welcoming committee last week as their mother and new baby brother arrived home from Beyer Hospital.

The new addition to their family is David Charles, a six pound-seven ounce, who arrived April 13.

Their mother is the former Sandra Bruder, daughter of the Albert Straubs, of Elwell road. The senior George Browns, of Wayne, formerly of Belleville, are the paternal grandparents.

Mr. and Mrs. John T. Thompson and family returned to their High street home on Saturday, April 12, after spending a 10-day vacation in Washington, D.C., where they did considerable sightseeing. Highlights of the stay were the Capitol, White House, Smithsonian Museum, Arlington Cemetery, and Mount Vernon.

They also visited a former classmate and Belleville resident, John Kaljee and family. Enroute home they spent some time at Gettysburg.

Little five year old Janet Tucholski, daughter of the Arthur Tucholskis of Edison avenue, was able to return home Tuesday after having spent five days in the University of Michigan Medical Center for treatment of an asthmatic condition.

After spending her Easter vacation at her home on the Expressway, Mrs. Rose Vincent returned on Sunday, April 13, to her teaching duties at Oshkosh, Wis.

Mr. and Mrs. Edgar Quinley and son Kenneth spent the Easter weekend at Lexington Park, Maryland, with their son-in-law and

daughter, Mr. and Mrs. Larry Traskos, and small daughter, Tracy.

Mrs. Shirley Mentel and little daughter, Tracie, and Mrs. Janet Helzerman were Sunday afternoon callers on the former's grandmother, Mrs. Charles Jackson. Mrs. Jackson (Lois) is now residing with her daughter and husband, Mr. and Mrs. Stanley Miller, at 9845 Terrey road, Willis.

Mr. and Mrs. Arthur Quinn, Lincoln Park, spent Saturday evening with the Clayton Saunders' of Liberty street.

Suzanne Stevens, of East Huron River drive, and

Sharlene Tator, of High street, enjoyed their Easter vacation on a trip to Las Vegas, Nevada.

Henry Clayton, of Bedell street, was taken to Beyer Hospital on Sunday, April 13, where he is being treated for a heart condition.

During the Easter vacation Mrs. Joseph Spring accompanied her son, Herbert and family, of Plymouth, on a trip through the New England states. Historical places visited were Lexington, Concord, Salem, Boston, Plymouth, New Bedford and Fall River, Mass. At the latter city they toured the battleship Massachusetts which is now permanently berthed there.

In Connecticut they visited several old cemeteries where Mrs. Herbert Spring's ancestors were buried; the Dowd family having settled at Guilford in 1639.

At Yorktown Heights they were guests of Mr. and Mrs. John Stanley, John being an Army buddy of Herb's in Lawton, Oklahoma.

Enroute home they toured West Point and the Corning glass works in New York State arriving home on Saturday, April 12.

Miss Aldine Potter has been a patient this past week at St. Joseph Hospital, Ann Arbor, for observation and treatment. Cards may be addressed to her at Room 558.

Mrs. Bernice Knop, of Wayne, and Mrs. Bessie Dean, of Ann Arbor, were Sunday dinner guests of Mr. and Mrs. Clayton Saunders of Liberty street. In the afternoon all drove to Detroit where they called

PAT SHIRLEY IS BRIDE

Newlyweds Making Home In Rialto, California

MRS. MARK WILEY

Patricia Bennett Shirley came from her teaching duties in California to be married in her hometown April 2. The United Methodist Church of Belleville was reserved for the eight o'clock ceremony during which Pat became the bride of Mark Edmond Wiley, of Rialto, California.

Elder William Dennis, of the Belleville Seventh Day Adventist Church, and Rev. Allen B. Rice, II, of the United Methodist Church, presided at the wedding before an altar adorned with chrysanthemums and gladioli.

Donald DeCamp, cousin of the bride from Stockbridge, was soloist. Singing "Wither Thou Goest", "This is God's Love", and "O Perfect Love", he was accompanied at the organ by Klair Kissell.

Some 100 guests witnessed the rite which united the daughter of Mr. and Mrs. Forrest Allan Shirley, of 110 Wexford, Belleville, and the son of Mr. and Mrs. Edmond Chestnut Wiley, of Wyola, Montana. ***

ESCORTED TO the sanctuary by her father, Pat appeared in an A-line creation of ivory silk and

Chantilly lace. The high-rise lace bodice was fashioned with a scalloped portrait neckline and traditional wristpoint sleeves. Back interest was created with the use of a court train which drifted from the silk banded waistline.

A crown of silk and lace studded with seed pearls secured her three-quarter veil of silk illusion and she carried white roses and tendrils of ivy surrounding a detachable corsage.

Mrs. Robert Lilley traveled from Silver Spring, Maryland, to serve as her sister's honor attendant. Mrs. Allen Berlenn, of Belleville, was the only bridesmaid.

Identically dressed, their apricot gowns were of silk organza with Venice lace accents. The A-line frocks were designed with empire waistlines, sheer full-length sleeves, and garlands of daisies around the neckline and down the front.

Avocado velvet ribbon trimmed their Venice lace headpieces which were covered with daisies and they held bouquets of matching daisies.

Airman Bruce Wiley, of Lodge Grass, Montana, currently stationed on board the USS Constellation at San Diego, served as best man for his cousin. Others on the esquire side were Allen Berlenn, of Belleville, and Fred and Paul Peterson, of Belleville, cousins of the bride.

At the reception, which followed in the church fellowship hall, Mrs. Shirley received in an eggshell organza shift accented with green accessories. Mrs. Wiley chose a two-piece knit ensemble and beige accessories for her son's wedding. Both mothers added green cymbidium orchids to their frocks.

HOSTESSES AT the reception were Mrs. Fred Guilford, of Belleville, and Mrs. Alton Shirley, of Plymouth, aunts of the bride; and Mrs. Robert Peterson, of Belleville, and Mrs. Robert Spare, of Howell, cousins of the bride.

Among those registered by Mrs. Farrell Gilliland, of Berrien Springs, who had charge of the guest book, were Mrs. Stanley Sobolewski, of Belleville, and Mr. and Mrs. Floyd Bennett, of Williamston, the bride's grandparents.

Mrs. Richard Schmid, of Mount Clemens, presided at the punch bowl.

On departing by plane for their new home in Rialto, California, the new Mrs. Wiley donned a navy, yellow, and white coat-dress ensemble with black patent accessories and the corsage of roses from her bouquet.

A graduate of Adelphi Academy at Holly, Michigan, and Andrews University, at Berrien Springs, Pat is now employed by the Colton Elementary Schools, at Colton, California.

Her husband, an employee of Amber Steel Company at San Bernardino, graduated from Lodge Grass High School, in Lodge Grass, Montana, and attended Sheridan Junior College at Sheridan, Wyoming.

H.V. Garden Club Elects Officers

Officers for the new year were elected by the twenty members present when the Huron Valley Garden Club met at the home of Mrs. John H. Tator on Monday afternoon. Mrs. Michael Sirdanik accepted the office of president for a second term; Mrs. B. P. Hopson, vice-president; Mrs. Harold Roberts, secretary; and Mrs. John H. Tator, treasurer.

The club voted to award a scholarship to an interested teacher from the Van Buren School System for the Higgins Lake Conservation School held during the summer at the Michigan State Conservation Camp at Higgins Lake.

Following the business meeting a flower show was held with each member presenting an arrangement she had made to be studied and discussed by the group.

A trip to Kensington Park is planned for May 5. Members are to gather at Victory Park at 10 a.m. A cook-out lunch will be provided. In case of rain the meeting will be cancelled.

TWINS CHRISTENED

THAT LITTLE 'twin bill' that's been playing out at the Bill Osborne home on Denton road - Thomas Andrew and Traci Joanne - were baptized Sunday, April 13. The Rev. Walter Henning presided at the ceremony during morning services at St. Paul's Lutheran Church, Belleville.

God-parents for Tommie were Harold and Betsy Akers while Traci's sponsors were Bob and Betty Kreie, all of Belleville.

Following the christening, a turkey dinner at the Osborne home included the babies' grandparents, Mrs. Orval Kreie and Mr. and Mrs. Herbert Osborne. Also attending were Rev. and Mrs. Walter Henning, Cliff and Kathy St. Cyr and daughter, Sandi, and also the children of the god-parents, Michael Akers, and Jimmie and Joyce Kreie, and the twins' big brother, Jeff, who's five.

The only family members unable to be present were Dick and Joyce Maton who were busy with lullaby duties themselves. Their little son, Robert Frank, arrived just four days before the party, on the ninth of April. Weighing 9 lbs. 5 ozs., he was born at Bronson Hospital, in Kalamazoo, where Dick is about to graduate as an engineer from Western Michigan University.

3,000 MILES TALLIED

THE GREAS, and that includes Don and Emma with Charles, Curtis, Anita, and Teddy, were away during the recent Easter Holiday to do a bit of visiting with relatives in the Mid-west. Traveling as far as Oklahoma City, they called on one of Emma's sisters and brother-in-law's there then continued on their way to Norman, Oklahoma to see her parents, Mr. and Mrs. Tony Feuerborn, and other brothers and sisters. Two more sisters and their families were visited in Lexington, Oklahoma and in Belleville, Indiana.

In Effingham, Illinois and at Sipio and Garnett, Kansas they also looked up a number of Em's cousins. During their stay in Effingham they visited the Feuerborn Manufacturing Company - a church furniture supplier - which was founded in 1878 by Em's great uncles.

New Son For Osaks

Mr. and Mrs. Don Osak, of Haggerty road, have announced the birth of a son Saturday, April 12, at Annapolis Hospital, Wayne, weight 9 lbs.-8 ozs. He has been named David Charles.

KISSELL-CAMPBELL

Couple Exchange Vows At Methodist Church

The wedding vows of Patsy Ruth Campbell and Klair Henry Kissell were solemnized in a candlelight ceremony at the First United Methodist Church of Belleville on Saturday, April 5, at 7:30 in the evening.

The Rev. Allen B. Rice, II, heard the exchange of vows which the couple recited before an altar banked with Easter lilies and centered with an arrangement of white gladioli, carnations, and chrysanthemums. Spring plants of daffodils, tulips, and hyacinths interspersed with white candles were in the windows of the sanctuary.

Following the traditional wedding scheme, the bride's 'something old' was a lavalier which had been worn by all the brides in her family and the 'something new' was her bridal ensemble. A slip belonging to Mrs. John Tator served as 'something borrowed' and a handkerchief sent by her mother was the 'something blue.'

The new Mrs. Kissell is the daughter of Johnnie Clyde Chisolm, of Ypsilanti, and Mrs. Laura Chisolm, of Lepanto, Arkansas. Mr. Kissell is the son of Mr. and Mrs. Henry C. Kissell, of St. Petersburg, Florida, formerly of Ashtabula, Ohio.

FOR HER wedding the bride wore an ivory satin floor length empire gown with lace bodice and long sleeves. Attached to the gown was a chapel train of lace and satin. Her bridal bouquet was cymbidium orchids and yellow sweetheart roses.

Mrs. Edward J. Downing, of Ann Arbor, as matron of honor wore a floor length gown of aqua peau de soie featuring a sabrina neckline. She also wore a matching headband and carried yellow roses and cymbidium orchids.

Best man was Edward J. Downing of Ann Arbor. Seating the guests were Nathan C. Judson, of Grosse Pointe Woods; Robert Kutscher, of Monroe; Ronald McMaster, of Ann Arbor; and Robert Williams, of Cincinnati, Ohio.

Dr. Eugene W. Hancock, of Detroit, organist, and Mrs. Merrill D. Thomas, of Livonia, soloist, provided

lovely music for the wedding.

Mrs. Chisolm chose a pale blue ensemble with white accessories for her step-daughter's wedding while Mrs. Kissell, the bridegroom's mother, wore an aqua dress with beige accessories.

A reception in the church fellowship hall followed the ceremony where the couple greeted their 160 guests.

Mrs. Kissell is a senior at Eastern Michigan University where she will receive her bachelor's degree in elementary education in June. Mr. Kissell, who is a graduate of the University of Ohio and Eastern Michigan University, is employed in the Livonia Public Schools as a librarian at Franklin High School. He is also organist at First United Methodist Church of Belleville.

After a honeymoon in Cincinnati, Ohio, the couple are making their home at 47 Madelon, Belleville.

MISS SNAY

Daughter's Engagement Announced

Mr. and Mrs. Herman Snay, of 9281 Pleasant Lake road, Ann Arbor, are announcing the engagement of their daughter, Nancy L. Snay, to Stanley P. Samsel.

A 1967 graduate of Saline High School, the bride-elect is currently attending Cleary College while working for International Telephone and Telegraph.

Her fiancé, son of Mrs. Stanley E. Samsel, of 43180 Harris road, Belleville, and the late Mr. Samsel, graduated in 1964 from Belleville High School. A member of the U.S. Army Reserves, he is currently attending Schoolcraft College. He is an employee of the City of Livonia's Engineering Department.

No date has been set for the wedding.

Would you like to hear a good clean story?

It goes like this: Buy a new Gas range and forget about oven cleaning, forever. Not bad, huh? And that's not the whole story.

The new Gas self-cleaning oven will clean itself automatically, spotlessly and do the whole job for about 2¢. It's a new way of life for the housewife. No more rubber gloves, strong detergents or harsh cleaning agents.

And while we're on the subject, this new Gas range simply cooks food better than anything you've ever used. It provides complete heat control. At all times. No matter what you're cooking. It will cook faster. Cleaner. And do it all for less money. See the new Gas self-cleaning oven today at dealer or Michigan Consolidated Gas Company showrooms. It's great for women who like to cook, period. Cook with Gas... it'll serve you right.

The thing about Wayne Bank is...

... our "spring fever"

We realize that in the Spring a young man's fancy turns to love, automobiles, a certain diamond ring in a jewelry shop window, etc. And when you're in this kind of a spring daze you might take just a little longer to wander over to our bank for that loan you'll need.

So we're open extra hours to allow you time to shuffle in. We'll wait for you Friday night until 7 pm at the drive in, 6 pm at the main office. And Saturday we're up with the birds from 8 to 1 at the drive in and from 9 to 12 at the main office.

So, when you have Spring Fever, come to the bank who understands. We'll be waiting for you.

NEWS FROM YEAROUTS

MRS. VERNON YEAROUT was nice enough to give us a ring from out Sheldon road way and let us know what's new with her family. First off, she tells us that her 15-year-old daughter, Anita, was the winner of a trophy for her part in the National Tang Soo Do Karate Tournament held April 13 in Lorraine, Ohio.

Anita, a fifth rank green belt in karate, is also doing very well in judo and in various horse shows.

Then there's news concerning her son, Gentry, who's a student at Alpena Community College. With three of his college buddies, he spent a week and a half cruising and fishing around the state of Florida.

And from Vietnam she has word from her 25-year-old son, Dempsey, who's with the U. S. Army. Writing home, he tells that the action has been stepped up somewhat and asked especially for something to help swallow the water there. Mrs. Yearout is trying her best to locate "Fizzies"—a kool-aid type capsule which the men especially like. She's not having any luck, though, and asks that anyone knowing where she can buy them call her at 722-5341.

CAPITOL TOUR

ANOTHER CALL last Thursday came from Mrs. Millard (Elsie) Dockery, now of Talladay road, formerly of Belleville. With her 11-year-old son, Ray, she winged her way to Washington, D. C. during the recent school recess and for four days enjoyed the many highlights of the nation's capitol.

The White House, Capitol Building, and the American Historical and Bible Wax Museums were on their itinerary along with Arlington Cemetery and seeing the changing of the guard, and a visit to the Smithsonian Institute. A Blue Line bus tour took care of one day's sight-seeing after which the twosome traveled via taxi to any spot they wanted to explore further.

Mrs. Dockery tells us that Washington is the most beautiful and friendliest city she's ever visited. Being there during the Cherry Blossom Festival, she was completely awed by the floral beauty of the city. The 73 degree weather they encountered also added to the enjoyment of their trip which was concluded with a train trip home.

HERE 'N THERE

SEVEN-YEAR-OLD Nancy Ann Hudge spent the week after Easter vacation recuperating from a tonsillectomy performed Monday, April 14, at Beyer Hospital. She is the daughter of the Edward Hedges, of Haggerty road. . . TAKING AN afternoon off (and hitting on one of the season's most gorgeous days last Wednesday) were eight local gals who occasionally like to take in a matinee. Lunching first at "Topinka's" on the Boulevard, they then walked to the Fisher Theater for the two o'clock performance of "Don't Drink the Water." Included in the outing were Jean Boutillier, Betty Sanders, Joy Hill, Lee Smith, Marge LaFray, Helen Mosora, Ida Whitehouse, and Barbara Walters.

CRADLE THEME

BETWEEN SPORADIC showers last Thursday evening, some 24 guests arrived at the Bill Hennells home on E. Huron River drive for the cradle shower honoring Betty Schwehr, of Sunrise lane. Shirley Hennells, Lilyan Carlson, and Lucille Paas were co-hostesses for the evening and included several stork theme games for entertainment with awards

Still others answering invitations were Helen Stokes, Avis White, Jean Flavell, Stephanie Box, Lucille Perry, Ginger Schimmel, Pat Ryback, Jean Hayward, Lee Smith, Betty Doonan, and the honoree's mother, Mrs. Evelyn Lenz.

TO CMU 'OPENER'

When Betty had finished with the heaping pile of pretty packages, the group enjoyed a buffet lunch of Maurice salad, hot rolls, relishes, cake, and coffee. The table was centered with an arrangement of pink, yellow, blue, and white daisies, with matching tapered fanning the flowers and miniature blanketed babies set in among the blooms.

Others attending the party were Lois Hamilton, Helen Miller, Jean Troxell, Wilma Tator, Betty Archer, Dena Cicotte, and her mother-in-law, Mrs. Alva Cicotte, who made the tiny

THE THREAT of bad weather didn't put a damper on John Casidlo's trip to Mount Pleasant Thursday for the opening baseball game between Central Michigan freshman and the U. of M. when Central emerged with a 4-2 victory over undefeated Michigan.

John's son, Johnnie (or 'Giz' as he was known at Belleville High), is serving as student manager and assistant coach for the freshman team—baseball being a part of his life ever since Little League.

NEW BOSTON EVENTS Huron Senior Citizens Mark Third Anniversary

By
Mrs. William Havenstein
753-4258

In observance of their third anniversary, the Huron Senior Citizens went to the Skipper's Table in Livonia for dinner April 15. Forty-six members turned out for the celebration.

Following the dinner a business meeting was held at the Waltz Fire Hall. Plans were made for the group to attend the Maple Syrup Festival at Vermontville on April 26. Transportation will be by bus which will leave Waltz at 9 a.m.

Anyone who would like to attend and has not yet made reservations should call Mrs. Laura, 782-1118.

Huron Girl Scouts have received their cookies. They will be making deliveries to those of us who made advance orders last month.

The Ladies Auxiliary of St. John's Lutheran Church, Waltz, sponsored a "Luncheon is Served" on April 10. One hundred and ten ladies enjoyed the noon luncheon.

Leaders of the Huron Girl Scout Troops held their Cluster meeting at Riverside School April 15. Plans for coming events were made. Among them are a family activity for each of the six troops, which will be the final functions of the year.

Activities were planned for a summer day camp to be held at Lower Huron and Flat Rock parks.

The Girl Scout Area Association is planning a camp-out in June at the Waterloo Recreation Area.

A Sacred Spring Concert will be held at St. John's Lutheran School on April 27. The church choir, cherub, junior and senior, will participate in the concert which will begin at 7 p.m. in the multi-purpose room. There is no admission charge.

Several members of the Huron Jaycees and Jaycee Auxiliary will attend the State Jaycee meeting in Lansing May 9 and 10.

Among those making plans for the weekend trip are June and Andrew Nagy,

Lois and Alex Pachy, Marilyn and Dick Lowe, Jim and Liz Krause, Lois and Pat Schiller, and Jerry Luczak and Randy Luczak.

At the meeting of the Huron Jaycee Auxiliary April 16, six members were presented the Sparkette Award. To qualify, the ladies must earn a minimum of 110 points during the past year. The points are given for serving as chairman or vice-chairman, and presenting a project, attending district meetings, being an active member, and in many other ways.

Half the women employed on jobs today are over 40 years old, the Department of Commerce reports. Almost two-fifths of these are 45 years, or more, of age.

Dr. Pat Hill Speaks On 'Children's Vision'

"Children's Vision" was the topic Monday, April 14, at the meeting of the Home Arts Club. Dr. Patricia J. Hill came from Albion at the request of her niece, Jan Sierota, a member of the program committee who introduced her.

Dr. Hill graduated from the Illinois College of Optometry where she met her husband, Dr. Jack Hill. Together they have been practicing optometry for 18 years in Albion.

The mother of four children, she is currently working towards her masters

degree in psychology and visual perception. Her hobbies include flying and she holds a private pilot's license and is a member of the "99's" which was established by Amelia Earhart.

Dr. Hill presented a movie, "Miracle Vision", which was later discussed followed by a question and answer session.

Dessert, tea and coffee were later served by Avis White, Virginia Turney, Dorothy Wimberly, Sorita Egan, Laura Landis, and Muriel Wolfe.

If a person says a great many pleasant things that he doesn't really mean, someone may say, "Oh, he must have kissed the Blarney Stone." The Blarney Stone is a stone set high in the wall of Blarney Castle, an ancient castle near the city of Cork in Ireland. Long ago the legend spread that if a person kissed the Blarney Stone he would become very clever at saying flattering things. No one believes now that the Blarney Stone has any real power. But every year many tourists go to the castle and kiss the Blarney Stone just for the fun of saying that they have done so.

Well, we haven't kissed the "Blarney Stone" here at HOOK'S CLEANERS, INC., 32328 Michigan Ave., Wayne, PA 2-0162; 35 Main St., Belleville, 697-8600; and 37311 Goddard, Romulus, 941-1010. We mean what we say! We offer complete, dependable and fast 1-day service on cleaning. Our shirt laundry policy is "in by 20-out by 4". We are also the drapery specialists.

HELPFUL HINT: Shelf paper won't tear as quickly if you secure it with tape instead of tacks.

Once you have the facts, you'll open a Security Time Savings Account!

MEMBER F.D.I.C.

QUESTION 1: Is there a difference in interest rates?

Answer: No, but there is a difference in the way interest is computed. Our interest rate on time savings accounts, like everyone else's, is 5%. However, ours is compounded continuously! This means that your money is working for you, every minute of every day.

QUESTION 2: How much money do I need to open a Security Time Savings Account?

Answer: Unlike some time savings plans, \$1,000.00 is all it takes!

QUESTION 3: How much money must I deposit in order to add to my account?

Answer: You may deposit \$50 or more in your account, at any time. This is the lowest minimum deposit requirement available in the area!

QUESTION 4: Do you offer a periodic statement?

Answer: We feel it's important for you to know what your money is doing. As a result, at the end of each calendar quarter, you'll receive a statement that shows transactions made and interest earned. At the end of the year, we'll send you a special statement, for tax purposes.

QUESTION 5: What about withdrawals?

Answer: You'll be able to withdraw savings that have been on deposit for a full calendar quarter, during the first 10 days of each succeeding quarter, without notice, or at any time with 90 days advance (the minimum legal requirement) written notice. You'll earn maximum interest until the day of withdrawal.

QUESTION 6: What can I do with interest earned?

Answer: We'll be happy to credit interest to your Security Time Savings Account, another account, or mail you a quarterly check. The choice is yours.

QUESTION 7: What about a passbook?

Answer: You will receive a handy passbook-type folder in which to keep all of your records.

There you have it . . . seven good reasons for opening a Security Time Savings Account. No bank pays more, but one does more!

When it comes to banking,
Security is all you need!

Earn 5% annual interest, compounded continuously!

The reasons are in Bolens Difference Designed Features

- * Automatic transmission (one foot pedal controls forward, reverse and braking) in a 12 hp compact
- * Hydraulic lift, parking brake and electric lights are standard
- * Attachments plug into a shaft type PTO coupling, without belts

REHEARSING FOR CONCERT--The Belleville High Symphony Band is presenting an outside concert at Victory Park this Sunday, April 27. Above are members of the symphony band rehearsing under the direction band director Leroy E. Lane. The concert will begin at 3 p.m.

Symphony to Premiere Mass Honoring King

The Detroit Symphony will premiere the first requiem mass honoring the life and thoughts of Dr. Martin Luther King, Jr., on Friday, May 9, in Ford Auditorium.

James Frazier, the 28-year-old composer of the King Requiem, will conduct the concert which will also include Saint-Saens' Organ Symphony.

The King Requiem is scored for three choirs, a narrator, baritone and soprano, soloists, organ, and brass band. It was commissioned by Detroit's Second Baptist Church.

THE KING REQUIEM follows the basic format of the Roman Catholic Mass. However, Frazier uses King's words where appropriate. The requiem features an English version of the mass. In 1964, at age 24, Frazier was the first Negro to conduct a full concert of the Detroit Symphony. That year he won a special award as the youngest performer in Britain's International Liverpool Conductor's Competition.

He later was acclaimed as a major talent by Eugene Ormandy, eminent conductor of the Philadelphia Orchestra.

LAST SUMMER Frazier received a fellowship to study with Boston Symphony conductor Erich Leinsdorf and composer Gunther Schuller at Tanglewood.

Frazier has conducted the Detroit Symphony nearly 20 times in the past year, including a performance of Beethoven's Choral Symphony, featuring the Fisk University Choir.

Frazier is appearing again this year with the Detroit Symphony as conductor and piano soloist in its series of Detroit Public School concerts.

He will conduct the Nashville Symphony in the Fisk University production of Puccini's "Gianni Schicchi" and Menotti's "The Telephone" on April 19.

FRAZIER HAS appeared

with Denmark's Danish State Symphony, the Royal Liverpool Philharmonic and the BBC Northern Symphony in Britain, and Rome's Radio Philharmonic.

Frazier teaches in the Inkster Public Schools and is

director of music at Second Baptist Church.

He is a native Detroit and a graduate of the University of Michigan. He also has attended Wayne State University and the Detroit Conservatory of Music.

BHS Shows Foreign Policy Film

BELLEVILLE--G. Edward Griffin's film, "The Grand Design," has won enthusiastic reviews from Congressman James B. Utt, The Honorable Ezra Taft Benson and General Curtis E. LeMay.

The movie deals with American foreign policy since 1945 and seriously questions its goals. An amazingly unique remedy is suggested as an alternative strategy.

Service Mother's Party Set

LAWN AND GARDEN FAIR--William F. Sell & Son, Inc., located at 16555 South Telegraph Road, at Pennsylvania Road, Taylor, is sponsoring Lawn and Garden Fair May 2, 3 and 4. Above are some of the lawn and garden equipment that will be detailed and demonstrated during carnival-like activities planned for the event.

Sell Schedules Lawn & Garden Fair

A Lawn and Garden Fair amidst carnival-like atmosphere will be held at William F. Sell, Inc., located at 16555 South Telegraph Road, at Pennsylvania Road in Taylor.

The firm is sponsoring the fair to be held on the company's premises, May 2 through May 4, during the hours of 12 Noon to 10 p.m. on Friday and Saturday, May 2 and 3; and from 12 Noon to 6 p.m. on Sunday, May 4.

THE THREE-DAY program will include free rides (wagonrides) for the kiddies, free gifts and refreshments.

Company representatives will be at the Lawn and Garden fair to explain the complete line of lawn and

garden equipment and supplies available at William F. Sell, Inc.

Among equipment on display for demonstration are Wheel Horse, Bolens, Ford, Ariens, Lawn Boy and Gardsmen brand of rotary and riding mowers and roto-tillers.

District Board Schedules School Bus Rodeo May 3

TAYLOR--Twisting and turning a ten-ton school bus down a dual row of Dixie cups without scraping the wax off the cups requires considerable skill and seasoned driving ability.

A few Dixie cups could even get squashed as school bus drivers in Wayne County gather for a wide-open day of competition as their driving talents are tested in a School Bus Rodeo on Saturday, May 3, at Kennedy High School here.

The School Bus Rodeo will include the following events:

*Serpentine Course --obstacle course driving around barriers.

*Diminishing Clearance Test--driving through minimal clearance area.

*Dixie Cup Dual Test--drive near a row of cups without touching.

*Straight Line--forward and back.

*Rigged Bus--discovering rigged defects in shortest time.

*Park--close to curb.

*Safety Test--written exam.

*Simulated RR Crossing--railroad crossing procedures.

*Personal Appearance--are you dressed and groomed appropriately?

LEE GOODNEY, Transportation Consultant for the Wayne County Intermediate School District, indicates the school bus drivers at the "rodeo" will begin the day with 350 points. They will try to retain as many of those points as

they attempt to "steer clear" of driving errors.

Each driver hopes to have a perfect score in all the school bus rodeo events on May 3, but only one winner is possible. A trophy will be presented to the winner of the "Top Driver Award."

The 1969 School Bus Rodeo is being sponsored by the Wayne County Intermediate School District in cooperation with Western and Eastern Michigan Universities.

Absentee Ballots Ready

ROMULUS--Absentee Voter Ballots are now available at the clerk's office, Alfred J. Perry, Romulus Township clerk, announced Monday.

Deadline for the acceptance of applications for absentee voter ballots is Saturday, April 26, during the hours of 9 a.m. to 2 p.m.

The Special Primary Election to choose a new Township Supervisor will be held on April 28.

Absentee ballots are for the eligible voters who are physically unable to attend polls or will be out of town on election day.

Emergency absentee voter applications will be issued to any registered voter prior to 4 p.m. on election day if physically disabled or absent from the township because of sickness or death in the family which has occurred to make it impossible to apply, Perry stated.

Reservation for FHA Mortgage Aid Planned

BY ROMULUS UR

BY MARY CARTER
Urban Renewal
Assistant

ROMULUS--The Romulus Township Urban Renewal Department is making plans to submit an application to FHA for a reservation of funds for Mortgage Assistance Payments for low-income families under Section 235.

If the reservation is received some families displaced by renewal action will be eligible to buy under this plan, any excess may be used by other residents of the Township because the eligible families can be either (a) a family displaced by Urban Renewal or other government

action or by a major disaster; (b) a family moving from low-rent Public Housing; (c) a family with five or more minor children (under 21 years of age) living in the household. ***

SECTION 235 is an interest subsidy program designed and enacted in the Housing and Urban Development Act of 1968 to help families in the lower income bracket become homeowners.

Under the Act, the Department of Housing and Urban Development signs a contract with the mortgage company to pay a part of the

interest due each month on behalf of the eligible family, thereby reducing the amount of interest to be paid by the home buyer to as low as one percent depending, of course, on the family's income. The amount of assistance given will vary from family to family.

The house to be mortgaged as well as the family, must meet certain requirements to be eligible under the program. It must be a new or substantially rehabilitated dwelling, of modest design, but suitable for the family's needs, and not being sold for more than the FHA value. ***

MORTGAGES MAY go as high as \$20,000 for a four bedroom house for a family of five or more.

Individuals 62 years of age or older and handicapped persons are eligible also.

At the present time no money is available, but when the allocations are made by Congress (July, 1969) it is hoped that the reservation for

funds for Romulus Residents will be granted.

George Wilhelmi, Urban Renewal Director, is seeking a sponsor (developer) to make a commitment to erect homes of a price range to qualify under this program.

Likewise, mortgage companies must be found who are willing to meet certain FHA requirements relating to the handling of the application for loans. ***

THEY ARE required to obtain from the borrower

every two years recertification of income, family composition, and to ascertain that there was continued occupancy of the living unit by the family. This has to be done so that adjustments can be made if income or dependents change.

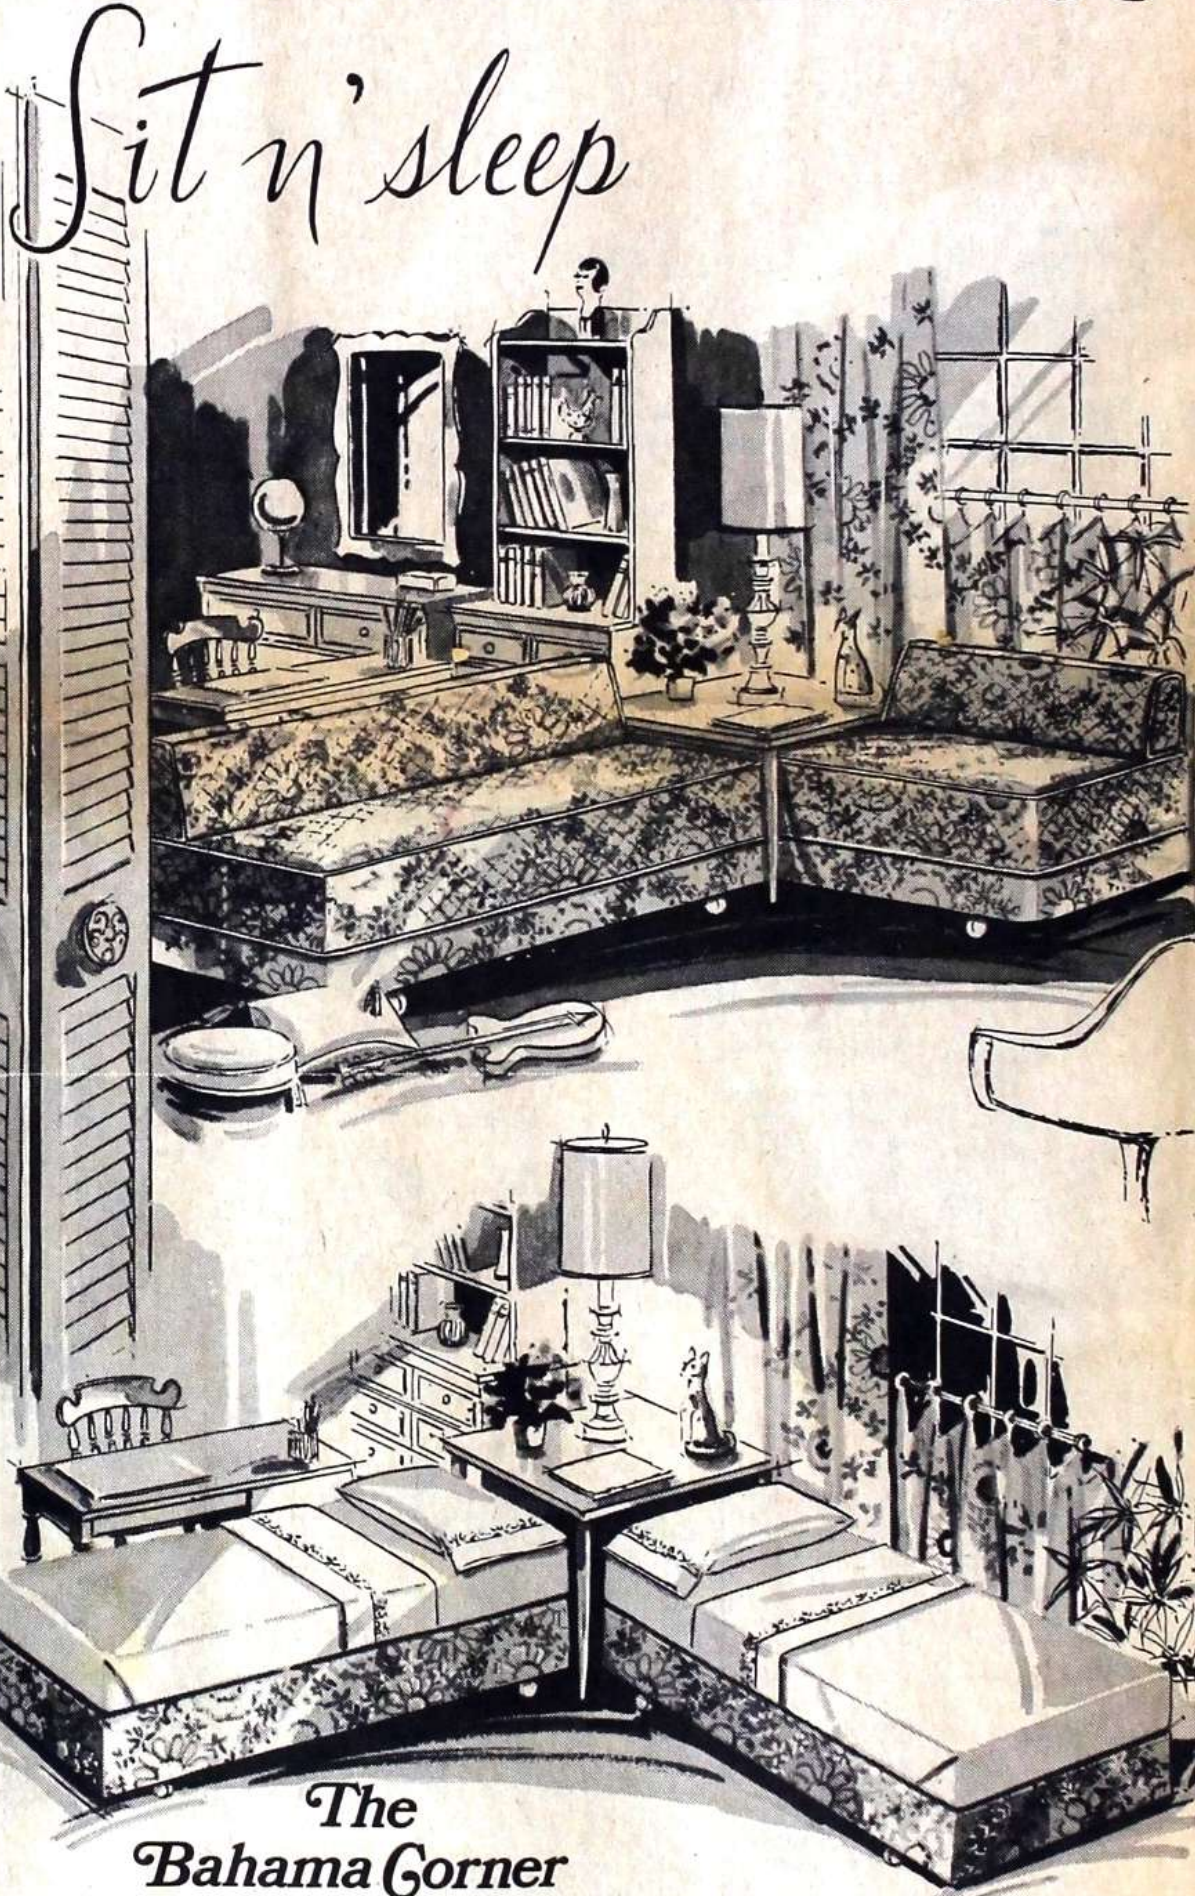

Wilhelmi stresses the point that Section 235 is just another tool to realize the goal of adequate housing for everyone, and that if this program doesn't fit the needs of some families, there are other programs to turn to.

Romulus Loses in 11th to Robichaud

PAGLIA RETIRES 21 IN ORDER

Coaches Jerry Summerhays and Lowell Johnson are working more these spring days but enjoying it less. Anyway, Summerhays has the satisfaction of winning.

The two coaches watched as their teams battled 11 non-league innings last week before Robichaud pulled out a 5-4 victory for its rookie coach Summerhays, leaving Johnson frustrated and without a victory in two outings.

Dick Toler's double in the 11th with bases loaded scored what proved to be the winning runs. Romulus came back to get one of those back in the inning.

Rick Paglia who, after giving up three runs in the first two innings, retired 21 consecutive Robichaud batters after two outs in the third to the first out in the 11th.

The senior Romulus hurler struck out 15 and walked two

in sustaining his first loss of the season.

Paul Doran, also working the entire game for the Canines, notched 16 strikeouts and walked five while Romulus batters got to him for 11 hits.

It started off as if Robichaud would knock Paglia out of the box in the first inning

as Dennis Wysocki, Tom Hamiltan and Gordie Brown exploded for three straight singles.

With men on first and third and no outs, Brown stole second.

Then Paglia settled down. He got John Babij and Doran on strikes and, after issuing a base on balls to Zack Con-

ley to load the bases for the second time in the inning, the Romulus righthander snared Mark Koltdet's liner for the third out.

Romulus's attempt to pick-off Toler from second in the third inning led to Robichaud third run.

The Eagles came back to tie up the score in the bottom of the fifth as Ray Horn trip-

led and Paul Seestedt reached first after being hit with a wild pitch.

Tom Block emptied the bases with a three-bagger.

And for the next five innings Paglia and Doran held their rivals scoreless. In the top of the 11th however, with one away, Doran stirred the Canines when he was safe on an error. He went down to second on a stolen base. Then Zack Conley walked, Romulus got Doran on John Ray's fielder's choice and with two-away Koltdet approached the plate.

The Robichaud captain blasted the ball over the pitcher's head and the ball appeared to be heading for the outfield when the Eagle second baseman lunged for it and held Koltdet solid hit to an infield single.

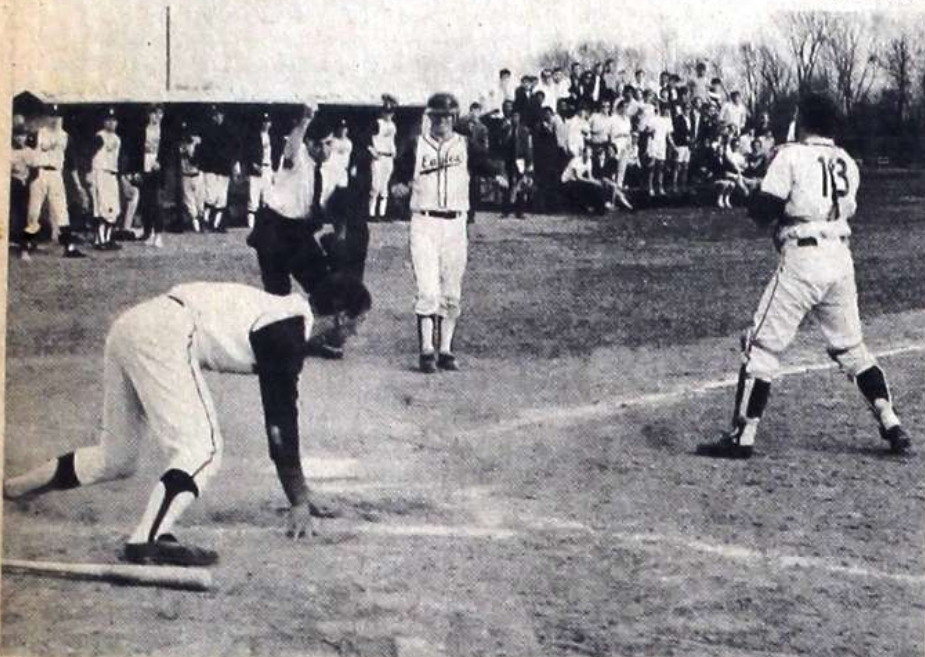

With bases loaded, however, Toler connected for a double for the two big runs. Koltdet was out on the next play, attempting to steal home.

Romulus takes a 0-2 non-league record into Twin Valley Conference play this week. Coach Johnson's team will play Rouge, scheduled for Monday and Belleville for Tuesday, while the Eagles clash with Willow Run tomorrow at home.

Early Virginia settlers were unsuccessful at growing native tobacco and only after seeds were brought in from Trinidad and Venezuela did they grow a satisfactory quality smoking tobacco, which led to the state becoming a world producer.

'STRONG ARM'—Although he dropped his opening game 5-4 to Robichaud last week, Romulus' Rick Paglia proved tough in the opener as he retired 21 batters in order from the third through the 11th innings. The Eagle senior righthander also chalked up 15 strikeouts and walked five in working all 11 innings.

STRETCHING A POINT—Romulus' Tom Block glances over at the ump and discovered that he was "out" at the plate after trying to stretch a fifth inning triple into a home run. Block's teammates wound up on a short end of a 5-4 decision in a game which lasted 11 innings against Robichaud last week.

SMITH A DOUBLE WINNER

Wayne Runs by Eagles

Despite having fewer first places, Wayne Memorial trackmen cashed in on their depth and rang up a 64-54 nonleague victory over rival Romulus last week.

Coach Bill Hawley's Zebras compiled six firsts in coach Ed Baum's eight but the distance running events helped Wayne turn the tide. Wayne "slammed" both the

two-mile as well as the mile events.

In the two-mile, Gary Schultz led teammates Bill Meyer and Doug Vega across the finish line. The winner registered a 10:19. In the mile, winner Richard Meyer turned in a 4:50.1 performance while teammates Bob Howard and Bill Kendall followed.

Wayne collected two of its firsts on the performance of sprinter Ernest Righetti who was clocked in 10.4 for the 100-yard dash and in 23.6 for the 220.

Chris Hathorne and Ben Cline won the quarter-mile and pole vault, respectively, for the Zebras. Hathorne ran a 55 even while Cline finished at 11 feet, 6 inches.

Wayne's mile relay team of Richard Meyer, Paul Glass, Hathorne and Joe McCormick was clocked at 3:47.1.

The Zebras also received second places from Don Kingery who was runnerup in the high (17.2) and low (22.1) hurdles. Bob Howard cleared 5-foot-8 inches in the high school and Bruce Kindrick hurled the shot 45 feet, 11½ inches which also were good for seconds.

Larry Smith duplicated Righetti's feat. Smith was also a double winner for Romulus in the hurdles, clearing the highs in 15.4 and the lows in 21 flat. Teammate Johnny Wilson added the half-mile on a 2:05 performance and the Eagle speed relay team of Wilson, Ed Thompson, Warren Bonam and Roy Williams turned a 1:34.6 to win the event.

Coach Baum's team dominated the field events with Tony Johnson's leap of 5 feet, 10 inches winning the high jump; Nate Williams winning the shot put on a heave of 48 feet, 8½ inches; and Boman taking the broad jump on a 19 feet, 11 inches effort.

Romulus slammed the broad jump with Williams second (18'4½") and Rance Thomas, third, (18'3½").

Second places were awarded to Thomas, in the 440 (56.2); Thompson in the 100 (10.5) and Thompson, in the 220 (23.6).

Wayne is on the road for its next two meets, taking on Sauk Trail Conference rival, Edsel Ford in Dearborn tomorrow, after racing Inkster on Tuesday.

Romulus challenges Willow Run on Thursday in an away meet. The Eagles met Dearborn Heights Robichaud on Tuesday.

Huron, Belleville Begin Golf Season

Huron High School has a golf team for the first time in its history this spring and everything about the squad is brand new. From Coach John Marcero right on through the players, just about everyone is a rookie.

The only possible exception is Senior George Kareha who has been medalist in the three losing matches the Chiefs have played so far this young season. Kareha fired a pace-setting 41 in his team's 197-229 loss to Airport. His 43 led all swingers as Blissfield downed Huron, 208-248, and his 39 showed the way in a losing cause against Gibraltar Carlson, 201-206.

"Kareha is about the only one who has held a club before," Marcero explained this week, "but the boys are showing steady improvement and if effort will do the job, these boys are well on their way." Marcero has his work cut out for himself, with Kareha about the only dependable shooter on the team.

Furnishing the material for the rest of the team are Juniors Keith Kentala and Terry Hardt and Sophomores Don Hibbitts, Mike Compeau and Tony Bosman.

A graduate of University of Detroit, Marcero is in his third year at Huron. He majored in English and is currently working on his masters degree in Secondary Curric-

ulum. Prior to Huron he taught English at Airport High for two years.

Huron has 16 league meets in their first golf season and Marcero approaches the challenge with determination and realistic attitude. "These boys are brand new at the game of golf and if we can win a good share of the matches, I'll be happy," the rookie golf mentor said.

Belleville High's Golf team met a tough Redford Union squad Thursday afternoon at Salem Hills and were soundly trounced, 159-213. Playing without their seniors, who were on their Senior trip, the Tigers used their ninth and tenth graders against the talented Redford golfers.

It was like going after a bear with a switch. For although the boys gave it their best, it was just a matter of too much fire power on the part of their opponents.

Redford Union's Gary Spanich was medalist with 38 on a tough, championship Salem Hills layout. Following a shot behind with 39's were Dennis Genge and Barry Marsh while Keith Everett's 43 rounded out the quartet's total of 159.

For Belleville it was Sophomores Tom Salutz (50), Ron Tinsley (54), and Dean Turney (55) combining with Freshman Craig Barnett's 54 for their 213 score.

LOSING STREAK AT 6

Huron's Having Problems

Huron Coach Ron Smith experimented with all of his pitchers last week in hopes of snapping the Chiefs' losing streak, but the experiments failed as the losing streak reached six.

The Chiefs were ripped by Carlson 14-1 for their third consecutive setback in the newly established Huron Conference and they also dropped a 2-1 decision to non-conference adversary, Gabriel Richard of Riverview.

Ron Edmonds, working the first two innings, sustained the league loss as he gave up six runs on seven hits before

a string of Huron pitchers followed him to the mound. Craig Cole, who shut out the Chiefs in his freshmen year, proved tough again as a soph. He scattered eight hits to earn the victory. Cole

'Big Three'

If there were any doubts in anyone's mind that the Associated Newspapers' inaugural All-Area Track Meet was NOT going to be held, let them forget it. A meeting Friday of the "Big Three" resolved all organizational problems which could have sidelined the meet.

Someone almost tossed a rusty monkey wrench into the meet last week when he nonchalantly remarked, "Has the Michigan High School Athletic Association approved the meet?"

And when I couldn't answer the question, three coaches designated by the All-Area committee, came up with the answer to that and any other question others may have.

The three—Bill Pinnell, athletic director at Garden City West who also is the head coach at the school; Joe Grasley, Cherry Hill head track coach; and Barry Basel, head track coach at John Glenn—met with the Sports Meridian to discuss the Memorial Day Meet.

"Yes," said Pinnell, "the MHSAA has approved the meet. It has been sanctioned and the information we've sent out to the coaches stated the MHSAA has okayed the meet."

After clearing that obstacle, the discussion turned to rules. "We will abide by the rules set down by the MHSAA for track," said Grasley, "and the coaches know this."

Always the pessimist, I asked, "What if it rains? Do we call the whole thing off or reschedule it for the following week or do we ask the Jaycees, the co-sponsors of the meet, to rent Cobo Arena for us?"

"We have an all-weather track," said Pinnell, whose school will act as the host. "Come rain, snow, storm, blizzard or tornado, the meet will be conducted."

Another fear—and with versatile athletes like Yancey Hughes, Mitch Hause, Larry Smith and Ernest Righetti around—was the All-Area team, which would be selected on the basis of the outcome of the meet, would be dominated by one team and the All-Area would have to be tagged as the "All One-Man team."

"Do we, then, spread the winner's around so that no one athlete dominates the mythical team?"

The answer was a unanimous, "No."

To the victor, to use a cliché, goes the spoils. And, speaking of spoils, the Jaycees could easily spoil things if they don't come up with approximately \$300 worth of medals.

Oh, well, you can always declare bankruptcy, can't you Mr. Thompson?

Mr. Smith

And has anyone seen Garden City East head track coach Jim Smith lately? The rookie coach hasn't reported in his team's results to the Sports Meridian or to Coach Barry Basel, who has been delegated the responsibility of gathering the weekly track and field listing for the ANP.

Before someone does a research paper on how much space we have allocated to the Panther track team, would you be

kind enough, Mr. Smith, to get in touch?

A "Weird" Diamond Tale

A "funny thing" happened to Jerry Summerhays at Ecorse the other day and I asked him to share that experience with us. So he wrote a "book" about "the weirdest play" he has ever seen.

Let's let him describe it:

April 12, 1969

"This was one of the weirdest plays I've seen in five years as a high school baseball coach. With the bases loaded and one out for Ecorse the batter (Smith) hit a long fly-ball to leftfielder, Dick Toler.

All three runners tagged up.

The throw-in came to catcher, Gordy Brown. Brown noticed the runner who had advanced to third base had rounded the bag--Brown (C) threw to the third baseman, Dennis Wysocki in an attempt to pick the runner off.

A rundown followed--a rundown which included 13 assists and one final put-out.

The play was scored: 7 - 2 - 5 - 2 - 5 - 2 - 4 - 5 - 2 - 5 - 1 - 5 - 2 - 5 (LFC 3BC 3BC 2B 3BC 3BP 3BC 3B)

AT COMPLETION OF THE PLAY THERE WERE: Thirteen assists and two put-outs.

Third Baseman, Dennis Wysocki - 5 assists, one put-out;

Catcher, Gordy Brown - 5 assists;

Pitcher, Joe Richardson - 1 assist;

Second Baseman, Tom Hamilton - 1 assist; and

Left fielder, Dick Toler - 1 assist, one put-out.

At one point during this play the runner from third base,

Ralph Jackson, slid safely back to third base, but Gordy Brown, catcher, spotted the runner off at second base and threw to second baseman Tom Hamilton who alertly ran the baserunner toward third base forcing Jackson off again--the run-down continued from there.

The irony of this play occurred in that Coach Summerhays and the Robichaud bench had seen the original runner at third base miss home-plate when attempting to score on the sacrifice fly, but they were unable to communicate this information to the Bulldog defense because of a very loud, long freight train which was passing by the field at this exact time creating a deafening roar.

The end result was that a fly-ball, the advancement of three baserunners, and a run-down play which included 13 assists and a put-out actually was scored as nothing, but a "good

old" double-play. The miss of home-plate had also been observed by the Ecorse coach, Tom Tober, and the plate umpire."

Rouge Routed Romulus

In bygone years, Romulus considered itself fortunate if the Eagle found one victory per season. But Zane Kuryliw, who is in his second year as head coach for the Eagles, apparently has resolved most of the tennis team's problems.

Romulus shut out River Rouge 7-0 in its Twin Valley Conference debut last week and also posted a 4-3 victory over a strong Chadsey non-league aggregation earlier to bring its record to a 2-1 ratio.

In their season's opener, the Eagles fell to Westland John Glenn, 6-1.

Andy Kazarian, veteran Romulus netter, represented the Eagles in the No. 1 singles and against the Panthers he won in two sets of 6-0 and 6-1. Woody Barker turned away his rival 6-2 and 6-1 while Dennis Wessel claimed victories of 6-0 and 6-3 in the No. 3 singles. No. 4 singles, Bob Selle also posted a two set victory.

Romulus swept the doubles competition with No. 1 team of Glenn Hayes and Jim Smith who won 10-8 and 6-1. Also winning two set matches were Pat Tutas and partner Larry Schatilo and Ed Repp and Terry Sell.

Romulus Sets Registration Date for LL

Romulus will also take a crack at Little League Baseball, after successfully inaugurating its football program last year.

The baseball program, opened to boys 8 to 15 years of age, is sponsored by the Romulus Jaycees in cooperation with the Romulus Township Parks and Recreation Department.

Tryouts for the leagues are set for May 19 and prospective players may obtain registration forms from their respective schools.

"Since Romulus is a large area," said Ron Halvin, one of the originators of the league, "we are planning to have these boys play near or at their schools."

"And, of course, they'll be playing according to their respective age groups," he said.

There is no registration fee and new equipment, supplied by the Jaycees, has already been purchased.

Huron has two more league games on tab for this week, which began Monday with non-league rival, Annapolis, in Dearborn Heights. The Chiefs are home to Flat Rock today (April 23) and play Monroe Catholic Central on Friday.

Craig Adaline and Al Michling continued to provide the impetus of Huron's attack. Adaline has compiled a .375 batting average for five games while Michling, an All-Area selection last year, is presently batting .312.

Huron tied up the score at 1-all in the second after Richert's scored one run in the opening frame. But the down-river Catholic team came up with the winning run in the fourth.

Craig Adaline started on the mound and worked two innings before giving way to Jim Inman, the losing pitcher.

Coach Smith also used Edmonds in the last two frames in hopes of breaking the losing streak.

Huron's lonely run was scored on a single by Bob Guntow who reached second on a sacrifice and came home on an error.

Speakers at the convention include: Dr. Eunice E. Herald, head of the Home Economics Department, Western Michigan University; Laurence Taylor, conference and program consultant, Hillsdale; Darrell B. Thomas, assistant professor, Department of Home Economics, WMU; Dr. Leroy G. Augenstein, chairman, Department of Biophysics, Michigan State University; Shirley Bedell, immediate past State FHA President, Bellaire and WMU freshman; and Estelle Hunter, national FHA President, Sunbury, Ohio.

Jodi Goodrich, State FHA President, Onkama, will preside over the convention with the help of the other

thirteen state officers including: Connie Cooper, vice-president of Degrees, Middleton-Fulton; Patricia Lawhorn, vice-president of projects, Bad Axe; Joyce Heller, vice-president of public relations, Camden-Frontier; Linda Hauter, vice-president of recreation, Morenci; Brenda McConkey, vice-president of evaluation, Pickford; Gloria Gillow, vice-president for national committee, Lake City; Sharon TenBrink, secretary, Portage-Central; Deborah Tesch, treasurer, Concord; Linda Daglow, reporter, Reading; Janet Hale, parliamentarian, Dundee; Jackie Boeneman, historian, Lapeer; Connie Alexander, song leader, Shepherd; Cathy Shaffer, pianist, Hillman; Mrs. Robert Goodrich, state mother, Onkama.

"THE ADVANTAGE of this mechanism over the wall chart," Hare said, "is that we can quickly check if one eye is functioning properly."

An outside left rear view mirror is required for vehicles driven on Michigan roads. However, if defective vision is found in a driver's right eye, he will also have to place an outside mirror on the right side of his auto.

Calling for more public awareness of the daily contribution good vision makes to driving, Hare said, "the significance we give to vision and our dependence on it for so many aspects of driving cannot be overemphasized. But nevertheless, surveys indicate that two out of three adults and 56-million children throughout the nation are handicapped by vision defects."

Better Eye Testing Set For Michigan Drivers

LANSING--Secretary of State James M. Hare has cleared another roadblock to provide for more accurate testing of Michigan driver license applicants.

According to Hare, more than 70 percent of Michigan driver license examining stations now have a telebinocular device for screening visual performance. "And by June," explained Hare, "this equipment will be in all driver exam stations in Michigan."

Michigan law requires that a driver must meet the minimum standard of 20/40 visual acuity with both eyes either with or without glasses.

PREVIOUSLY THIS visual acuity had been tested with the standard eye chart hung on a wall.

The telebinocular is a stereoscopic vision testing and vision training device.

This instrument provides two lens which the potential driver must peer into to take an acuity test. It checks both eyes individually for depth perception and peripheral vision.

The telebinocular also isolates color blindness and lateral imbalance of the person's eyesight.

A 1962 study by Health, Education and Welfare states that approximately 470,000 Michigan drivers would fail to meet vision acuity requirements.

The Secretary of State continued, "during last month's National Save Your Vision Week, we were

reminded that, life is worth seeing... and your vision is worth care." Our department is now equipped to help protect and preserve vision.

"With the telebinocular we can detect poor eyesight and advise the potential driver... for his own safety... to seek aid from a vision specialist."

'Dimes to Honor Teenagers for Aid

Wayne County Teenagers who have participated in March of Dimes activities during the past year will be honored at an All-County Teen Dance to be held Saturday, May 3 at Grosse Ile Naval Station.

The dance, which will run from 7 to 11 p.m. will feature volunteer musical groups from the area and will be emceed by Bob Taylor, known professionally as "Fat Bob, the Singing Plumber," who has recently been seen on the nationally televised "Mike Douglas Show."

Mrs. Bettie Dawood, chairman of Teen-Age Activities for the Wayne County Chapter of the March of Dimes, said that the dance was organized by the Executive Committee of the recently-formed MOD-TEENS Club to recognize those teenagers who had worked in behalf of the March of Dimes.

"We hope that by drawing together young adults from all across Wayne County we can encourage even closer-knit relationships among them and form a year-round organization that will help the march of Dimes in its program to prevent birth defects," Mrs. Dawood commented.

Two musical groups have already agreed to perform, "The Prophets of Sound" and "The Misunderstood," and several other groups are also expected to provide music for the dance.

The cooperation of the Naval Air Station personnel has been promised by Commander George Thomas, commandant of the station.

Tickets to the dance are available from March of Dimes teen leaders in Detroit and suburban communities, as well as at the door on the night of the dance.

Snowmobiles Race Prizes Presented

More than five hundred persons attended the annual meeting and awards banquet of the Michigan Snowmobile Association held April 19 at the Senior High School in Mt. Pleasant, Mich.

Eighteen trophies were presented to the high point winners in each racing category for the sanctioned winter M.S.A. circuit.

A Good Sportsmanship award was also presented, plus three plaques for other

state-wide achievements. The awards were presented by Miss Michigan, Darlene Kurant.

The M.S.A. annual banquet was emceed by a Traverse City radio personality-Jim Butler.

In the Powder Puff Class, Tina Price of 39355 Judd Road, Belleville, tied with Ruth Schmitter of St. Charles, Mich., for the Class C division title and won top honors in the AA Class.

GRAND PRIZE

If a player scores more than 20 on a Grand Prize Game Piece he is eligible to win not less than \$1,000 and not more than \$5,000. The exact amount that he wins is determined by spinning a Wheel of Fortune. On this wheel appears dollar amounts between \$1,000 and \$5,000. The Grand Prize Winner spins the wheel, thus determining his winnings by the dollar amount on the wheel where the pointer comes to rest. The wheel has no prize less than \$1,000 or more than \$5,000.

HERE'S HOW TO WIN

Carefully use edge of coin to rub off spot below the words "DEALER HAND." Underneath is the score you must beat to win, and the cash amount you can win by beating that score. Carefully rub off any 3 BUT ONLY 3 of the spots on the playing card. If the numbers revealed under the 3 spots you rub off add up to MORE than the score of the "DEALER'S HAND," you win the prize specified.

Great White Way Only Two Hours From Metro

THE GREAT WHITE WAY--is less than two hours from nearby Metro Airport. Heading for an Astrojet Holiday, these passengers boarding an American Airlines 727 will be 600 miles from Metro in an hour and on Broadway an hour after arrival at Kennedy Airport. This same trip via surface transportation would take about 15 long, tiring hours.

ASTROJET HOLIDAYS-- That's what they call it. In reality it is a jet age magic carpet that can whisk you from Metro Airport to New York City's fabulous "Great White Way" in less than two hours for a weekend that's different.

Though it may surprise many, the package plan has been available for sometime where the average person or couple can "get away from it all" and see the best of Broadway, take part in the bewitching night life and have a taste of the last word in luxurious living.

Planning and coordination by American Airlines in conjunction with many of the finest hotels, theatres and night clubs with these independent tours have brought forth several packaged trips designed to provide the easiest, most pleasant and most value-packed way for anyone to visit and enjoy the world famous Broadway at its best.

The flight via a Boeing 727 or 707 jetliner from Metro Airport takes just about an hour over a good chatty cup of coffee. Within an hour after arrival at New York's Kennedy or LaGuardia Airports, you can be checking into your choice of one of the many fine hotels available for the New York visitor. Magnificent hotels of the Loew's chain such as the Americana, The Summit, The Drake, The Warwick or the City Squire Inn await the traveler.

Depending on personal tastes and budget, one has a choice of most any type of program they wish. Most popular of these has been a weekend called the "Broadway Blast." Here during the three-day, two-night period, the tour

includes the best of accommodations at a Lowe's Hotel of your choice. It provides an orchestra seat to an evening performance of a musical show of your choice, and also an orchestra seat to an evening performance of a comedy or drama of your choice.

This is only the beginning, you have a midnight supper, dance, and see the show at the Royal Box Supper Club at the Americana Hotel. The tip and tax, of course, are included in the tour package price. Then you can cap this with a complimentary cocktail at the hotel lounge of your choice.

Typical hit shows with guaranteed orchestra seats stand out in the show world. "Hello Dolly", "Cabaret", "Zorba", "Fiddler on the Roof", "Mame", "Golden Rainbow", "The Price", "The Great White Hope", "Jimmy Shine", "Does the Tiger wear a Necktie". For those who prefer comedies, there is a choice of seeing "The Boys in the Band", "A Way of Life", "40 Carats", "The Birds", "Zelda", just to name a few.

The biggest and greatest names in the world of entertainers are usually somewhere dotted among these shows. Jane Morgan, Jack Carter, Totie Fields, Ella Fitzgerald, Shelley Berman and Kaye Stevens are just a few who are currently on the circuit.

Then again, no visit to the greatest city in the world would be complete without sightseeing. Other tours accent on sightseeing. The city with a million sights can hardly be seen completely on one trip. The world famous skyscrapers tower into the skies like in no other city in the world. Also, there is the famed Brooklyn Bridge, The United Nations Building, the glamorous Radio City Music Hall Rockettes, Grant's Tomb. And no visit to New York would be complete without visiting the Statue of Liberty.

While most couples would eye one of these tours as a "get away from everything" plan, it can also be a family affair for those who prefer to travel together. American Airlines has not overlooked these families. For them there is a special travel family fare plan which gives the family group a very substantial saving. These 30-day excursion fares can save the family budget 25 percent or for those who wish, several credit plans are available to budget the cost as it best suits them.

This entire action-packed weekend is less than two hours from Metro and with speed of the jetliners of today many more hours of leisure and fun can be had by the average individual or family.

The Astrojet Holidays offering "Royal Box Hit Shows on the world-renowned "Great White Way" can now be had as simply, or maybe easier, than a long drive up to a lake or cottage where you have to rest after the long drive in traffic and then rest up to drive it all the way back.

Thus, despite the fact that the sleek jetliners have shrunk the world travel distances around us, by the same token it has made it possible for us to enjoy vacations and travel to far away places that much longer.

'Yellow Bird' Lands at Metro

EAST MEETS WEST--Northeast Airlines will commence service to Metro Airport this weekend. A pre-inaugural flight from New England brought the governors of Maine and New Hampshire together with 100 New England business executives as a trade mission to promote the wonders of New England. As always, the brightly dressed, radiant stewardesses are noteworthy. On hand to welcome them to Metro Airport were the officers of the GLSWC (Good Looking Stewardesses Welcome Committee) who are staffers for North Central Airlines and who will assist Northeast with their local operations. Left to right in front of the first "Yellow Bird" DC-9 are: Karl Mercer, Jeanette

Miller, Marcia Bugala, Dick Mendell (North Central manager), Betsy Bund, Elaine Foisy and Al Shine.

Traffic Delays Cut Volume

NEW YORK--Airtraffic delays have been blamed in part for the first decline in total annual passenger movements ever experienced by Kennedy International Airport. The 20-year-old airport dropped two percent in 1968 over the previous year's figures. At the same time, all three of New York's airports suffered a 6.5 percent total reduction in passengers moved during the year.

Driver Training Class Set

NEW BOSTON--Raymond Koski, driver education instructor at Huron High School has announced that a new driver training class will begin on May 6.

To qualify for participation in this program, students must be 16 years of age on or before Oct. 31, 1969.

Those interested are asked to call the Huron High School, ST 2-2483. You should leave your name, birthdate and phone number.

Students who are eligible will be notified and will be given the date and time classes will be held.

SPORTSWEAR GALORE--Manning's new sportswear department offers something for just about every phase of life for the lover of casual wear. Three of the store's personnel (left to right) Becky Eichold and Margaret Memering, (students at Belleville High School), and Mrs. Linda Stout, of Ypsilanti, posed for our shot amid rows of slacks, culottes, blouses, shorts, and sports tops.

DOMESTICS DEPARTMENT--A complete new line of Stevens linens has been added to the domestic department at Manning's where the homemaker can select the latest in colorful bath ensembles or pretty floral bed linens. Mrs. Ruth Smith (left) and Mrs. Stella Daroci are just two of the store's staff to help with your selections.

Moose Lodge Notes

by George W. Steger

The Belleville Lodge No. 934 of the Loyal Order of Moose held an Enrollment on Saturday, April 19 at 8 p.m. at the Moose Home in honor of Jr. Past Gov. Arthur LaPorte.

Our guest speaker was Assistant Membership Director Jaye Stoehr from Mooseheart who gave a very interesting and enlightening talk on Mooseheart and Moosehaven.

Other Honored guests present were: State Director Harold Kretzinger and wife from Kalamazoo; State President Jerry Brawand and wife from Bay City, State Finance Chairman Harold Harris and wife from Farmington, State Ritual Chairman Ken Taylor from Detroit, State Civic Affairs Chairman Willard Miller and wife from Wayne.

The Belleville Ritual Team: Gov. and Prelate Charles Morton, Past Governor Harry Wilsey, Junior Governor Jack Custer, Orator Bruce Domen and Sergeant-at-arms Ken Allard put on the ritualistic work.

Fourteen new members were enrolled: Jack Begin, William Brown, John Crosby, Julius Horvath, Arthur Tyrell,

Barry Lee Cameron, Howard Parry, William Roberts, Laverne Perro, S.E. Kalisz, Henry Lonczynski, Donald Adkins, Joseph Sautner and Edgar Busch with Joseph Sautner as the class representative.

A delicious roast turkey dinner was served by the Women of the Moose from 5 to 7:30 p.m.

The Officers for the coming year were installed by Jaye Stoehr. Junior Past Governor LaPorte was presented a gift by Governor Manley from the Lodge. Senior Regent Martha Morton presented the Loyal Order with a check from the Women of the Moose for \$475 for the building fund. Jaye Stoehr was presented a gift by Secretary Steger from the lodge.

Senior Regent Martha Morton presented Louise Steger a personal gift from her and Chuck (Star Recorder Charm).

Tonight (Wednesday, April 23) there will be a Membership meeting at 7 p.m. at the Moose Home.

Only a small part of South Africa has sufficient rainfall to raise crops.

FOR THE MAN OF THE HOUSE--An expanded new men's department gives the man-about-town a wider choice of wearing apparel as well as accessories. A complete line of Van Heusen has been stocked by Chuck Trickey (left) manager of the men's department. Mrs. Laurie Buck is another of the staff at Manning's who is ready to aid with your shopping.

Manning's New Owners Mark First Anniversary

BY LEE SMITH
ANP Staff Writer

Charles Trickey, Jr. and Anthony Delahant, Jr., may not be household words to readers of this paper but whether one knows it or not, they have added a whole new concept to the shopping selections in Belleville.

Co-owners of Manning's Department Store, in Belleville, the two men have completely renovated the store which stands at 424 Main street. Old-timers around the area will remember back when that address was a grocery store founded by John Rice. It was later changed into Rice's Dry Goods Store.

In subsequent years the Rice emporium was sold to Tim and Ada Posthumus and Cecil Manning under the title of "Manning's". And just a year ago this month the store underwent another change when it was sold to the Trickey-Delahant partnership.

BEING IN THE hands of new owners, the store this month is celebrating its first anniversary by offering its many customers an "across-the-board" 10% discount. That means one important thing to the economy-minded housewife and shopper -- a savings!

And just think about the lovely new dresses and other wearing apparel which is gracing the racks at Manning's. There are several new lines added to the women's department including Catalina, Toni Todd, Aileen (and have you seen those beautiful sports ensembles?), Jane Colby, Bradley Knits, Fritz, and Fairfield.

And, too, there's Gloria Swanson's own Forever Yours label as well as Judy Bond, and Donn Kenny.

Popular Lorraine and Blue Swan lingerie as well as Playtex and Maidenform are also stocked in those pretty pastel colors and include co-ordinated slips, bras, and panties.

Tonight (Wednesday, April 23) there will be a Membership meeting at 7 p.m. at the Moose Home.

Only a small part of South Africa has sufficient rainfall to raise crops.

THE KIDDIES section is rich with Buster Brown, Health Tex, and fashions by Cinderella. Those little girls and boys may well be the best dressed younger set in the state when outfitted at Manning's.

Chuck Trickey, j.g., has taken over management of the Men's Department where a whole new line of Van Heusen has been added along with Catalina-Martin, Davis 4-D, Levi, and Billie the Kid.

Along with a wide range of shirts, jackets, socks, and Hanes underwear, there's an interesting counter just for accessories. And they range from jeweled cufflinks and tie tacs to dresser valets and jewelry boxes which are in stock remember, for upcoming graduations and Father's Day in June.

Domestics have done a complete about-face with the addition of an all-Stevens line of linens and the elimination of notions, yard goods, and yarn. Shelves are fairly brimming with those lush new shades in bath ensembles (have you seen those gorgeous floral and print towels?)

You've noticed, we're sure, the brand new paneling which had been installed and the pretty, fresh wallpaper to compliment the new shelves and counters... all for your shopping pleasure.

You've observed, too, the new office in the rear and those new fitting rooms. Future plans call for new floor covering and a new exterior sign.

Charles Trickey, Jr., who makes his home in Tecumseh, is no stranger to Belleville. For the past 20 years, he has called at Rice's and Manning's to take orders for dry goods and clothing. A sales representative for National Textiles, he has been around these parts to see many of the changes in Belleville itself.

Anthony Delahant, Jr., his partner, is no novice himself when it comes to department stores. A resident of Westland, he operates

"Delahant's" in Ann Arbor, a store much like Manning's.

The two gentlemen extend a hearty invitation to their April sales event and also wish to say "thank you" to their many patrons of the past year. Their move to Belleville, they feel, was one of the smartest ideas they ever had.

See you at Manning's!

WOMEN Of The MOOSE

The Women of the Moose held their chapter nite program Monday, April 14, at the Moose Home at 8 p.m. with an enrollment. The committee of the month was in charge of the dark horse and luncheon after the meeting.

Wednesday, April 16, there will be an executive board meeting, so please try to get your applications in ample time to be properly processed.

Co-worker Louise Steger, accompanied by her husband George, attended the Star Recorder Day at Windsor, Ontario Friday, April 11. Co-worker Steger took the part of Chaplain for the enrollment. They honored both the star recorders and the recorders who have their call letters to receive their degree in June.

Monday, April 28, will be our business meeting and we will have as our guest former grand council member, Betty VanHeck from Grand Rapids. Let's have a good turnout that night.

State Convention will be April 25-26-27 at Muskegon, Michigan. If you can attend the State Convention do so because it is very informative as to changes, etc. Anyone attending a State or National Convention can always learn something new and beneficial.

Belleville Business and Professional Women elected their 1969-70 officers: President, Helen White; Vice President, Betty Savage; Recording Secretary, Margaret Russell; Treasurer, Ruth Davis; and Corresponding Secretary, Marcella Dunton.

Representatives for the State and National Conventions were nominated. These ladies will attend the conventions this summer: Betty Savage, Margaret Russell, Ruth Davis, and Marcella Dunton.

Alternates are Marie Clayton, Margaret Saunders, Elda Bohl, and Ruth Lindsay who will go to the State Convention in Lansing. Betty Savage will attend the National Convention with Bea Boldt nominated as alternate.

The club was proud to have two of our members honored in the local school bulletin for serving 25 years: Ester Smith, commercial teacher, and Elda Bohl, cafeteria manager.

When George Washington was President there was no White House and the government rented for \$3,000 a year a residence for the President.

WUF Names New Officers; Mrs. Carl Rush Re-elected

ROMULUS--Mrs. Carl K. Rush, of Romulus, was re-elected a vice president of Women for the United Foundation (WUF) and named to a three-year term on the WUF board of directors at the annual meeting held at the Latin Quarter, Detroit.

The newly named president of WUF is Mrs. R. Alexander Wrigley, of Grosse Pointe.

More than 800 WUF members from throughout Metropolitan Detroit gathered for the luncheon, election of officers, a vicarious journey into space and a showing of 21st Century fashions.

The space visit was made possible by Astronaut Alfred M. Worden, a major in the U.S. Air Force and a member of the support crew for the Apollo 9 moon flight, and Dr. B. Paul Blasingame, of Milwaukee, guest speaker and general manager of the AC Electronics Division, General Motors Corp.

THE MICHIGAN-BORN astronaut conducted a question-answer session after Dr. Blasingame, an authority on missiles and missile guidance, narrated a color film photographed during U.S. space missions.

They were introduced by Mrs. Edward N. Cole, wife of the General Motors president and a member of the WUF luncheon committee.

Mrs. Cole also introduced another special guest, Jim Rathmann, winner of the Indianapolis 500 in 1960 and now a General Motors dealer in Melbourne, Fla., near Cape Kennedy.

Major Worden, a native of Jackson and graduate of the University of Michigan, Dr. Blasingame and Rathmann were guests at the Cole home in Bloomfield Hills.

A capsule view of 21st Century fashions was commented for WUF members by Marji Kunz, fashion writer for the Detroit Free Press.

MODELING THE space-age fashions produced exclusively for Winkelman's by six top designers were Detroiters Mary Jean Tull, Carolyn Bradley and Olevette DeLaine and Rica Fuger, of Grosse Pointe, and Judy Richardson, of Garden City.

"The Kinfolk," a singing group comprised of Michigan State University students, presented a program of folk music during the luncheon.

Appearing with the group were six students from the Detroit area: Bev Biondo, of Beverly Hills; Gail Derocero, St. Clair Shores; Mark Palmer, Farmington; Ed Schoaps, Detroit; Al Sutterfield,

VFW Auxiliary Notes

The Annual Election of Officers for V.F.W. No. 4434 Auxiliary was held at the regular meeting, April 17, at 7:30 p.m. The meeting was held at the Home of Shirley Cullin, 123 E. Columbia, Belleville.

Congratulations are in order for the Douglas Cullin's on the recent marriage of their son, Carl.

Birthday congratulations to those having birthdays.

A Card Party was held April 18 at 8 p.m. in the I.O.O.F. Room atop the police station. We welcomed the community to participate in this event.

Remember--May 1 is Loyalty Day.

An estimated 98,000 potholes were left in New York City's streets as a result of the severe winter weather.

CHAIRS MEETING--Romulus resident Mrs. Carl K. Rush (right) was chairman for the annual meeting of Women for the United Foundation (WUF) in the Latin Quarter. With her at the speakers' table is Mrs. R. Jamison Williams, of Birmingham, WUF retiring president.

Dearborn, and Gary Vittoz, Royal Oak.

As WUF president, Mrs. Wrigley succeeds Mrs. R. Jamison Williams, of Birmingham.

ELECTED VICE-PRESIDENTS were Mrs. William R. Keast, of Detroit; Mrs. Thomas H. Morgan Jr., of

'Poverty' Programs To Be Topic

NEW BOSTON--Today, the Job Corps and other "poverty" programs are very much in the news.

There is a lot of discussion about the merits of these programs and whether they ought to be dropped.

Just how much do we know about the Job Corps? How is it run? How much does it cost and who is eligible?

THESE ARE just a few of the many questions to be answered this evening by James Whiting, Field Specialist for the Job Corps, and Mrs. Christopher Rambeau, National Director of WICS.

This meeting, second in a series sponsored by the Huron Sumpter Association for Community Affairs, will be held tonight April 23, at Huron Junior High School at 8 p.m. There is no admission fee.

This is an excellent opportunity to learn what our government is doing with our tax money and how we can take advantage of some of the programs offered.

Elsie Kregg To Exhibit In Art Show

The work of Elsie Kregg, of 17164 Renton road, Belleville, will be on display during Madonna College's annual art exhibit, April 20 thru 26.

Included in the exhibit will be student work in wood sculpture, charcoal and ink drawing, water color, oil painting, lettering and crafts.

The public is invited to attend the exhibit being held in the college's art department, Schoolcraft and Levan. The exhibit will open with a reception on Sunday from 2-4 p.m. Exhibit hours on Monday thru Thursday are 9 a.m.-4:30 p.m. and 7-8:30 p.m.

NEW POST OFFICE SITE--Belleville Post Office officials and staff member inspect site selected for the community's new Post Office on which bids are presently being sought. The location is on the northeast side of Charles Street between Third and Fourth Streets. It has two dwellings on it which the successful bidder will have to remove in preparing the site for construction. Left to right are George Wilson, assistant postmaster; Raymond O'Neil, postmaster; and Donna E. Lester, postal clerk, and an unidentified girl.

MAHALAK CITES REASONS

Three House Bills Would Aid, Improve Veterans Benefits

ROMULUS--Three bills assisting, improving and broadening eligibility of Michigan veterans have been introduced and one co-sponsored by State Representative Edward E. Mahalak (D) of Romulus in Michigan House of Representatives. They are:

A bill which would "eliminate some of the indignity" for aid for needy veterans.

This bill, co-sponsored by Mahalak, would strike the word "indigent" from the veterans' relief law. "For one reason or another, veterans and their families sometimes need assistance under this law," Mahalak said. "It was enacted to aid them and if they qualify they are entitled to it. Most of them are financially and physically able, but still could use this assistance we have made available to them. They are not indigents. These people have served their country. They deserve to be treated with dignity."

He pointed out that the original veterans' relief law dates to 1899. "Things have changed a great deal since then," Mahalak said. "The language of this law should change too. The original law was intended mainly for Civil War Veterans. Today we are dealing with other veterans and their families, in a

different society and with different needs."

THE AMENDED 1899 act provided for relief "outside the soldiers' home for honorably discharged indigent soldiers, sailors, marines, nurses and members of women's auxiliaries."

It permits the individual counties to levy one-tenth of a mill to create a relief fund for veterans and their families.

A bill which clearly defines eligibility for veterans' burial benefits.

"This bill will clear the way in any confusion as to what veterans are eligible for burial benefits," Mahalak said. "It would be an important addition to this law."

The state law, which originated with a bill passed in 1911, makes burial benefits available at county expense to any veterans, their wives or widows who have limited estates.

The serviceman must have had been in active duty for at least 90 days and must not have an estate of more than \$15,000 in real or personal property. He must have been in the armed forces "in any place of emergency." The burial allowance is limited to \$300.

THE ADDED language specifies service in the Spanish American War from April 21, 1898 to July 4, 1902; World War I from April 6, 1917 to November 11, 1918; World War II from Dec. 7, 1941 to Dec. 31, 1946; the Korean War from June 27, 1950 to Jan. 31, 1955, plus the present Vietnam War.

Any person who served in the armed forces within those dates would, if they met other qualifications, be eligible for burial benefits. The benefits are extended to wives and widows.

Those who served less than 90 days because of a service connected disability would also be eligible.

Other qualifications, Mahalak points out, are that the serviceman had been a resident of the state for six months before he entered service and for at least five years before his death.

Eligibility for Michigan Veterans' Trust Fund assistance would be broadened under the third bill.

The additions in eligibility, Mahalak pointed out, "would bring under provisions of the Veterans' Trust Fund former servicemen who deservedly should be included."

The Mahalak bill would include for eligibility for Veterans' Trust Fund aid persons who served in the armed forces in an area of hazardous duty for which the armed forces expeditionary medal or campaign medal may have been issued between Jan. 31, 1955 and Aug. 5, 1964.

THE FIRST date had marked the end of eligibility for Korean conflict veterans, the second date the start of eligibility for Vietnam veterans. The bill, therefore, would include those who served in areas of hazardous duty between the limits of the two wars.

In addition, the Mahalak bill specifies that persons who served at least 90 days during World War I would be classed as eligible for Veterans' Trust Fund assistance. This was added, Mahalak explained, in order to clarify the present law.

The existing law limits eligibility to those who served in World War I, World War II, the Korean conflict and the Vietnam conflict.

"Between Korea and Vietnam," Mahalak said, "There were many times when American servicemen were called on to serve in dangerous areas. Because of this, they should rightfully be included in this act."

rehabilitated you will be given a list of all work necessary to bring it up to code," Wilhelmi said.

Homeowners may come into the office, located at 6446 South Wayne Road, any day between 9 and 5 p.m. or call 725-0020.

Sheriff Commends Residents

BELLEVILLE--Belleville residents and the Huron Valley Conservation Club were commended by Wayne County Sheriff Roman S. Gribbs for their aid and cooperation toward the Marine Division of the Sheriff's Road Patrol.

At a dinner held at Lofy's, located on Plymouth Road and Lilley Road, kicking-off the summer operation schedule and activities of the Sheriff's Water Patrol, Sheriff Gribbs thanked local residents and the association for their past assistance and support and asked their continued support in the coming summer months.

Ted Hooten of Belleville whose dock facilities are made available to the Water patrol also received commendations.

PTA Holds Successful Clothing Drive

ROMULUS--Personnel of the Romulus Thrift Shop wish to take this opportunity to deliver a "thank you" to children of the Mt. Pleasant School's P.T.A. and their parents for their recent successful clothing drive. The group wishes also to thank Principal Harold Cannon and the teachers for their cooperation.

Persons who were unable to get clothing delivered during the drive are invited to bring it to the Thrift Shop at 7335 Washington Street, one block south of Ecorse Road and one block east of Wayne Road, any Thursday during the school year, from 9 a.m. to 3 p.m.

Persons in need of articles of clothing can get the assistance they need by getting a referral slip from the school nurse, Board of Health Nurse, family neighborhood services, the action center, principals of schools (including St. Aloysius) or other authorized personnel.

At this time, the Thrift Shop is especially in need of baby clothing as they are trying to make up baby layettes. New baby clothes, or clean used clothing, is being sought. Local folks or clubs and organizations are invited to participate.

League Tryouts Announced

BELLEVILLE--Tryouts for the Little League Baseball will be held Saturday, April 26, and Saturday, May 3 at the Little League Diamonds on Huron River Drive 1/4 mile West of the Belleville High School from 4 p.m. to 6 p.m., Chester Wojcie, president of the Belleville-Van Buren Little League Association announced.

All boys in Van Buren School District, who will be eight years old by Aug. 1, 1969, and not more than twelve years old on July 31, 1969, and who have never played before, or who were on a farm team last year, are welcome to come and try out for a position on a team.

Bring enrollment form received at school. If you did not receive one, come anyway.

Boys living south of the I-94 Expressway, come on Saturday, April 26, and boys living north of I-94 Expressway, Saturday, May 3.

"It is a challenge and a privilege to work with these boys. Experience is not necessary. Won't you join with us? We need help in any form you have to offer," Wojcie said. "We have added four more farm teams to relieve our crowding in the farm teams."

For information call 697-0396, 482-7118 or 697-7755.

ROMULUS HIGH SCHOOL'S New Auditorium is underway at the senior high, located at 9650 Wayne Road. The school district's current building fund, approved by the voters some time ago, is being used to finance construction of not only the auditorium but additional classrooms and new elementary school. Present building programs are on schedule. Above is a progress view of the new auditorium.

NEW CLASSROOMS--The above is a progress view of the eight new additional classrooms under construction at the Cory Elementary School, 35200 Smith Road, Romulus. These new classrooms along with similar classroom construction at Mt. Pleasant Elementary School is part of the current school building program previously approved by the voters of the school district.

Belleville High Opens Band Decal Campaign

BELLEVILLE--The Belleville High School Symphony Band will begin their Band Decal Campaign on Monday, April 28, to raise money for scholarships to send Band members to summer music camps throughout the state, Leroy E. Lane, Band Director, announced.

This Band decal is not like the Band sticker sold in the past. The old Band sticker could only be applied to a glass surface because the glue had been applied only to the front of the sticker.

The new decal can be applied to any smooth surface such as clipboards, car windows, travel cases, books, etc. This decal can be applied by soaking it in warm water for about 30 seconds until it will move slightly on its backing. Then just slip it on to the surface and gently press out the air bubbles.

A decal may be obtained from any Belleville High School Symphony Band member for a \$1 or more donation to the scholarship fund.

Band members will be calling on Belleville residents between April 28 and May 7, during which time the Band hopes to raise \$800.

The National Music Camp at Interlochen, Michigan; Michigan State University

Youth Music Program at East Lansing, Michigan; and Central Michigan University Summer Program for High School Students at Mt. Pleasant, Michigan; are among the list of music camps attended each summer by many of our Belleville music students.

The public need not feel limited to only a \$1 donation but are encouraged to give generously.

City Proclaims Nursing Week

BELLEVILLE--Mayor Royce E. Smith has issued a proclamation Monday designating the week of May 4-11 as Michigan Nursing Week in Belleville. A similar proclamation calling for state-wide observance of the event was issued by Governor William Milliken.

A program honoring all nurses of the Belleville and surrounding areas during this period is being planned by community leaders.

William E. Hinchey, administrator of the Belvil Community Hospital, in highlighting city's observance and in paying tribute to nurses at Belvil Community Hospital, Belleville.

Hospital and those who have retired and who are actively engaged in their dedicated profession of nursing has designated May 7 as Belvil Hospital Day in Belleville.

Mrs. Jacqueline Sorenson, director of nursing at Belvil Hospital and her staff are busy making extensive plans for an interesting and entertaining program for a May 7th luncheon.

In order that all nurses in the area receive an invitation to the luncheon, Hinchey has requested that the following coupon be filled out and sent to the Belvil Community Hospital, Belleville.

JEAN E. RICHERT,
Secretary,
Board of Education

"ROLL-A-SCORE"--game at Rawsonville School's Carnival drew considerable amount of student interest last Friday. Above are shown some of the students watching one of the players who really wants to win if facial appearances mean anything.

"HOOPLA" was another recreational game for the many students and parents that attended the annual Carnival at Rawsonville School last Friday. In the background is shown a student lineup at the "Hoopla" game. School officials reported the carnival a "success."

READY, AIM, FIRE--was the often heard orders at the rifle booth at Rawsonville Elementary School's annual Carnival held at the school last Friday, April 18. Above is Bobby Cayhill 9, third grade student, of 49800 Bog, taking aim at target.

Need for Senior Citizens Meeting Facilities Stressed

There is a strong need for new senior citizen meeting facilities, according to a survey by the Michigan Commission on Aging, and a new opportunity for communities to build such centers.

The Commission recently sent questionnaires to senior citizen clubs as part of a regular updating of the Commission's directory of such organizations.

One of the questions asked was: "What does your club think is the most important thing your city can do for its senior citizens?"

Of the 450 clubs registered, many indicated they need a new meeting facility. Some pointed out that they particularly want ground level facilities, indicating that these older people are now climbing stairs.

OTHERS WANT their own clubroom because of time limitations. Some of the present facilities are shared with other groups, and the senior citizens are restricted to as little as two hours per day.

The responses detail the need for facilities ranging from a drop-in lounge to multi-service center facilities. Some of the clubs ask for planned recreation programs from their particular cities.

The Commission feels that this reaction underscores the need for funds available under the \$100 million Quality Recreation Bill to be

spent in part on senior citizen centers.

The Commission is involved in a campaign to alert local communities to the possibility of utilizing this money for older people.

"This could be a unique opportunity for cities to obtain money for this

purpose on a matching basis," says Charles H. Chaskes, executive director of the Commission on Aging.

"We believe that a senior citizen center, offering a variety of services, is the single most important contribution a community can make to its elderly."

ROMULUS TOWNSHIP RESOLUTION #69-7

WHEREAS, Dennis Dart of 9514 Washington Street, Romulus Township, on March 26, 1969 noticed his neighbors home on fire, did, with no regard for his personal welfare enter the home and pull one occupant to safety and attempt to rescue others, only to be turned back by flames, and

WHEREAS, The Romulus Township Board, feels that this heroic deed deserves some recognition by the Township, do hereby,

FINALLY RESOLVE, to offer the Townships sincere thanks and commendation to Dennis Dart, an outstanding resident of Romulus Township,

BE IT FINALLY RESOLVED, That the Romulus Township Board adopt and does hereby adopt this Official Resolution No.69-7, and directs that it be presented for publication.

I, Alfred J. Perry, Clerk of the Township of Romulus, do hereby certify that the above is a true copy of a resolution passed by the Romulus Township Board, at their Regular Meeting held on April 7, 1969, in the Romulus Township Hall.
